December 03, 2015 - PRESSADVANTAGE -

A tour provider in Montego Bay, Jamaica, has announced that they have expanded their list of available tours on the island of Jamaica. Their latest offering is to take visitors to the 'blue hole', also known as the 'secret falls.' These falls are found just outside of Ocho Rios. According to TripAdvisor reviews, the tour is an absolute must-do excursion for anyone who is visiting Jamaica.

"Jamaica is by far the most beautiful island in the Caribbean if I may say so," says Alrick Allen from Your Jamaican Tour Guide. "It has everything from gorgeous sunny beaches to beautiful waterfalls and from busy modern shopping malls to cute secluded little villages. The Secret Falls are absolutely amazing and we recommend everyone visits them at least once in their life."

The Blue Hole is known as one of the hidden treasures of Jamaica. It was completely inaccessible for a long time and remains quite difficult to get to today. As such, it offers a perfect day excursion for those who have a real adventurous side to them. Once at the falls, people are amazed by crystal blue waters that they can swim in as well. Alternatively, they can hike up the falls themselves for even more of a sense of adventure. The tour departs at 8am on the morning and participants return when they are ready.

The work done by Your Jamaican Tour Guide has been very positively reviewed by their many happy clients.

"We had an awesome time with Alrick from Your Jamaican Tour Guide," says Jordy from Montreal, Canada. "We spent one day and a half touring around Montego Bay and Negril. During this trip we saw different highlights of Jamaica with a well informed guide. He was clearly a popular person since he knew people everywhere we went. He takes this time to make sure your tour is customized to your liking and has no problem going the extra mile."

The Secret Falls Ocho Rios Jamaica tour is just one of many tours that the business offers. They guarantee an authentic flavor of Jamaica and are highly knowledgeable about the island.
