

Tree Service Experts Santa Ana Launches Public-Private Partnership to Increase Tree Canopy Coverage in Underprivileged Neighborhoods

March 01, 2023

March 01, 2023 -
Santa Ana, CA ? Tree Service Experts Santa Ana, a leading provider of tree care services and solutions, has launched an innovative public-private partnership to increase tree canopy coverage in underprivileged neighborhoods. The program is part of the company's larger mission to make communities healthier, safer, and more sustainable.

This tree care services public-private partnership works to empower local government, community groups, and businesses with the support and resources they need to increase the coverage of trees in their neighborhoods. In addition, the program will focus on providing tree planting programs for neighborhoods with little or no tree canopy cover.

Tree Service Experts Santa Ana will provide financial contributions toward the cost of planting trees; in exchange, these communities will commit to proper care and maintenance of the newly planted trees. The

company hopes that providing access to these resources can help create healthier, greener communities.

The program also provides educational opportunities for children and adults on the various benefits of urban forests and how to care for newly planted trees properly. To further its mission, Tree Service Experts Santa Ana will work with local schools and organizations to create a lasting impact in underprivileged neighborhoods by supporting and developing educational initiatives that promote sustainability.

Tree Service Experts Santa Ana ensures every neighborhood has access to a thriving tree canopy. Through this public-private partnership, the company is one step closer to achieving its larger mission?creating healthier, greener communities for everyone.

The partnership leverages public and private resources, including funding from city governments, local organizations, and businesses. Through this partnership, Tree Service Experts Santa Ana will provide tree planting and maintenance services at no cost to low-income families.

"We are proud to launch this innovative public-private partnership that will help us achieve our goal of increasing tree canopy coverage in disadvantaged neighborhoods," said Streeter Lucio, CEO of Tree Service Experts Santa Ana. "Trees play a vital role in our environment, providing clean air, regulating temperature, reducing stress and anxiety, and much more. We want to ensure that all residents can access these benefits, regardless of their economic status."

Tree Service Experts Santa Ana has already begun working with local governments and community organizations to identify target areas for the program. The team is also actively seeking additional partners interested in providing resources or collaborating on the initiative.

"Today marks an important milestone in our efforts to create healthier, greener cities," said Lucio. "We look forward to working with our partners to bring life-changing benefits to underserved communities."

Tree Service Experts Santa Ana is a full-service tree care company specializing in tree pruning, trimming, and removal services. The company has served clients across Southern California since 2001 and is committed to providing high-quality services while protecting the environment and promoting sustainability.
