Another 5-star rating remarks on the company?s excellent service and friendly staff. Satisfied customer Paul Weir said, ?I work with so many purveyors, contractors, and support services. I was given David Massey?s name, and it was so easy to have a dumpster delivered to your driveway so we purged out our garage, and threw a away so much ?junk?, and completed our spring cleaning. I use the public dump and one bed of things in the bed of your truck was $100. Let alone driving there, dumping it, and doing it again and again. I highly recommend Beed Dumpsters. Easy to work with, great service, and simply good people.?
