?We blended two homes into one new home, and the experience with Treasure Moving from start to finish could not have been less stressful,? says Amanda I. in one review. ?Securing the reservation was simple, and the repeated confirmations were fantastic. Carlos and his crew were nothing less than amazing during the entire move. They made sure there was no damage to our furniture and placed it exactly where we requested. Also, they utilized every square inch of the truck. I could not believe how much they were able to get in there. The whole crew was so great to work with! I would recommend Carlos? crew time and time

again! Thank you!?

Another glowing review from Anthony B. states, ?I wanted to post a review (I rarely do this) regarding our experience with Treasure Moving Company. They came with multiple recommendations from various neighbors within our community (Anne Arundel County). We needed to move our entire first floor into a storage box we had rented to allow for an unimpeded renovation. That went very well and quickly ? we were very happy with it. On the move back in, we had a couple of items damaged. Both issues were addressed on-site in a professional manner and ultimately required some follow-up. During the follow-up, we found consistency in professionalism and accountability. Nothing ever goes according to plan but it is how you deal with it that matters and the way Treasure Moving Company dealt with these items was prompt, courteous and thorough. For that, we are thankful and appreciative. Our items were resolved completely, and we would work with the team at Treasure again without hesitation.?

The company has been active in the moving industry for 20 years, excelling due to their reliable, skilled team and their willingness to go the extra mile when it comes to customer service.
