Mr. Gift Wrap, a business in Webster, NY, is proud to announce that they have been voted as the leading supplier of wholesale holiday gift wrap and bulk wrapping paper in a recent poll. One of the reasons why they received this award is that they guarantee to offer the lowest price at all times. Full details are available from the company's website at MrGiftWrap.com.

"We are so happy to have been voted as leading supplier," says Chris Palega from Mr. Gift Wrap. "It shows us that our commitment to our customers in terms of offering them the best selection of products at the lowest possible price, is achieving its goals. We look forward to the holiday season, as we have released a wide range of wholesale wrapping paper."

The wholesale gift wrap selection made available through Mr. Gift Wrap is enormous. A new line of holiday designs has been made available and is already incredibly popular. They include such products as the Skandia Dove, Winter Fun, Christmas Kiss, Tree Gnomes, Holiday and Hanukkah. All are covered by their 100 percent satisfaction guarantee and 150% low price guarantee.

As a wholesale supplier of wrapping paper, the company works mainly with businesses. All have been incredibly positive about the products and customer service they have received. "The Learning Shop of Wisconsin has been offering complimentary gift wrapping for many years," says Tom M. of the Learning Shop of Wisconsin. "Our customers love having their gifts wrapped and I'm positive this has increased our business. Your superior quality paper and exceptional customer service has been a cornerstone of this program's success. Thank You."

The bulk wrapping paper business has been voted leading supplier for a number of different reasons. Their wide selection, price guarantee and superior customer service are just some of those reasons. Additionally, they offer a satisfaction guarantee and a security guarantee, as well as quantity discounts. Put together, this has made the business a leader not only in the state of New York, but nationwide.

The new holiday themed bulk wrapping paper is already proving to be very popular, with new products and accessories added regularly.
