March 21, 2023

BALTIMORE, MD - March 21, 2023 - PRESSADVANTAGE -

McHenry Roofing, a reputable roofing company in Baltimore, received high praises from a satisfied customer for their outstanding roof repair services. Oscar Chazima, a homeowner from Locust Point, gave the company a five-star rating for their professionalism, punctuality, quality, responsiveness, and value. This positive review is just one of many from the company's more than 3,000 satisfied customers since 2007.

According to Chazima's review, McHenry Roofing exceeded his expectations in replacing his roof. Beth, the company's representative, was helpful and courteous, and provided excellent communication throughout the roofing process. The roofing crew also did a fantastic job and left the job site clean.

"I hardly ever leave reviews, but McHenry Roofing did an incredible job replacing my roof," Chazima said. "If you're thinking about getting roofing work done in Locust Point, I definitely recommend McHenry Roofing."

McHenry Roofing is a locally owned and operated business that has become a trusted name in the Baltimore

roofing industry. In addition to serving Baltimore, the company also provides roofing services for Howard County, Anne Arundel County, Carroll County, and Montgomery County.
