Pensacola, Florida, March 13th, 2023 ? Express Employment Professionals is once again proud to announce that the local staffing firm was presented with the Silver Circle of Excellence award at this year's International Leadership Conference, held in Washington, D.C., according to Managing Shareholder Melissa Speaker and co-owner, Charles Bockwith.

"Our team is so honored to be recognized for our achievements," said Speaker. "We are beyond grateful for the trust our community has placed in our hands, and the work every team member has put in that allows us to consistently achieve and surpass client and associate expectations."

Express Employment International recognizes the valuable contributions of its Franchisees each year through

its Circle of Excellence program. This achievement is based on annual performance, participation, and compliance criteria, with rewards increasing as a minimum gross margin dollar amount is met. With six levels to attain above and beyond basic membership in the circle-of-excellence program, substantial bonuses exist for those who reach higher echelons within this esteemed business structure.

The Pensacola branch of Express Employment Professionals opened its doors to Escambia and Santa Rosa employers and job seekers in 2001 under the leadership of Charles Bockwith. In 2021, after 20 years of business, the professional recruitment agency added Melissa Speaker to the leadership team as a Co-Franchisee and Managing Shareholder. She has been with Express since 2012.
