April 14, 2023

BALTIMORE, MD - April 14, 2023 - PRESSADVANTAGE -

McHenry Roofing, a trusted roofing company that has served Baltimore and the surrounding areas for over a decade, is pleased to announce that they have received yet another five-star review from a satisfied customer. Christine R recently left a positive review of the company's roof repair services, praising the excellent customer service and professionalism of McHenry Roofing's staff.

According to Christine, she compared the quotes of three different roofing companies before ultimately choosing McHenry Roofing for her roof repair needs. She worked closely with Jeff, who provided her with all the information she needed to make an informed decision. Jeff was patient, kind, and extraordinarily professional from start to finish, and he even provided McHenry's licensing and insurance information to ensure that Christine felt comfortable with her investment.

The contractors arrived on the day they were scheduled to and finished the job promptly. They left the job site clean and provided Christine with a proper invoice upon completion. Although she hopes not to have to see

Jeff or anyone from McHenry Roofing again for 25 years, Christine would be happy to work with them again if the need arises. She described her experience as "superb" and praised McHenry Roofing for providing an excellent contracting experience.

McHenry Roofing has been serving Baltimore and the surrounding areas since 2007 and has over 3,000 satisfied customers.
