

Global Builders Warehouse Shares the Benefits of SPC Hybrid Flooring for Victoria Homeowners

March 28, 2023

March 28, 2023 -

Melbourne's leading independent flooring store Global Builders Warehouse is offering a range of flooring solutions for all residential needs.

Victoria homeowners can choose from a plethora of flooring options at Global Builders Warehouse depending on their intended purpose and budget. The store's product catalog includes SPC Hybrid flooring, tiles, sintered stone benchtop panels, laminate, carpet, sintered porcelain stone slabs, bamboo flooring, engineered timber, outdoor pavers & stone, kitchen flooring, shower flooring, flooring accessories, and more.

For homeowners who value durability, SPC Hybrid flooring offers long life with an elegant look. The 5th-gen timber-inspired plank is 100% waterproof and highly resistant to scratches, dents, and UV radiation. Its manufacturing process involves crafting meticulous knots and grain patterns that elevate its design and make it the perfect choice for homeowners who want to achieve a stylish interior décor.

The spokesperson for Global Builders Warehouse talks about its SPC Hybrid flooring in Doveton VIC by saying, "SPC Hybrid flooring is specifically engineered to be completely waterproof making it ideal for installation in bathrooms, kitchens, restaurants, and laundry rooms. You don't have to worry about the floor absorbing and deforming due to water or moisture in these areas of the home or business."

SPC Hybrid flooring has several layers including a wear layer, an UV coating, the SPC core, and an acoustic underlayer. The wear layer makes it stain and scratch resistant while the UV layer forms a waterproof barrier. SPC, which stands for Stone Plastic Composite, is made from a precise combination of limestone powder and stabilizers creating a material that is extremely strong and stable. Finally, the factory-attached rubber underlayer reduces the sound made while walking on it and gives it a "soft" feel.

"There are several more benefits to SPC Hybrid flooring that make it perfect for most new constructions," the spokesperson says. "As it is made from polyvinyl chloride, it is an eco-friendly choice that you will be proud to have installed in your home. SPC flooring is also covered by a 25-30 year warranty against defects, giving you peace of mind for a long time. Finally, due to Välinge 5G lock technology, installing SPC flooring is a simple and fast process that doesn't require any gluing or nailing. This helps you save on home building and renovation costs. So, if you are ready to bring home the best waterproof flooring in Doveton VIC, call Global Builders Warehouse today to get started."

Global Builders Warehouse is a 100% Australian-owned importer and reseller with years of experience meeting the flooring needs of Victoria residents. The company offers competitive pricing on its wide selection of flooring and a host of affordable shipping options to customers in Clyde North, Berwick, Cranbourne, Narre Warren North, Glen Waverly, Mount Waverly, Pakenham, Hampton Park, Dandenong, Carrum Downs, and Rowville.

Victoria homeowners can visit the flooring store's retail location to interact with the sales team who can help them pick out the right flooring for their property. The company has received enormous praise from local customers who commend its friendly and helpful customer service and affordable pricing. On its Google Business Profile, the Doveton flooring store has an impressive 4-star overall rating from more than 330 reviews.

One customer says, "Amazing customer service. Rajy and Dilsha went above and beyond helping us with the selection of shower screens and other items for renovations of our bathrooms. Better than any other place. Helpful, polite, and good prices. Nothing is too much for these guys. Even free delivery. The driver and the guys with him - unbelievably helpful, and friendly, took everything to the back of the house and placed it on the veranda. Thank you so much to every one of you. I highly recommend them to everyone and my friends and family. If I could rate these guys a 10, no problem."

Readers looking for the best flooring store Doveton VIC has to offer can contact Global Builders Warehouse at (03) 9782-8888 or write to the sales team at sales@gbwarehouse.com.au for inquiries.
