For customers with beloved furry friends, the pet friendly CBD store in Mesa offers human-grade products that are completely safe for their pets. Celestial Stem also offers options at higher dosages for medium to large animals who need just a little more to affect their bulky frame, a rare offering in the CBD industry. "Our CBD pet products use phytocannabinoid-rich hemp oil," the spokesperson for Celestial Stem says. "They have just the right amount of potency to help put some pep back in your pet's step, take the edge off or relax after a hard day's play. You can choose between pet tinctures, CBD dog treats, and CBD almond butter. We're also introducing CBD cat treats. In case you are just looking for non-CBD treats or supplements, we've got you covered too. With our range of fully vegan and organic CBD pet products, there is no reason why your trusted companions shouldn't reap the same health benefits as you."

The Mesa CBD store also recommends customers try out its premium-grade Full Spectrum CBD oil tinctures with CBN for a good night's sleep. Celestial Stem's Night Time Tincture helps buyers slip into a

comfortable bedtime routine with its 2:1 ratio of 1200 mg Full Spectrum CBD and 600 mg CBN. Available in 1 oz (30 ml) bottles at just \$84.99, the product offers the goodness of multiple cannabinoids and flavonoids for all the added benefits of the Entourage Effect. Celestial Stem was set up by CBD enthusiast Jason Axtolis who was disappointed with the CBD products available in the market as they were either not effective or drastically overpriced. Moreover, as a pet owner with three large breed senior rescue dogs with health issues, Jason also expressed frustration at the lack of CBD options with strong enough concentrations for his treasured companions. In the end, he decided to go the entrepreneurial route and meet the market's demand for more affordable higher dosage CBD products for both humans and their pets.

Mesa customers have expressed their approval of the store's extensive CBD, CBG and CBN offerings as well as its helpful staff. On its Google Business Profile, Celestial Stem has a perfect 5.0 out of 5.0 overall rating from over 35 reviews. One customer thanks Jason for his customer service by saying, "My wife is a migraine sufferer. The assistance and guidance we received from Jason were fabulous. CBD has made a dramatic change in pain management for my wife. Thank you, Jason!"
