

Tree Service Experts Santa Rosa Donates Time and Resources to Community Beautification Project

March 20, 2023

Santa Rosa, California - March 20, 2023 - PRESSADVANTAGE -

Santa Rosa, CA ? Tree Service Experts Santa Rosa is proud to announce their collaboration with the City of Santa Rosa in a community beautification project. The project aims to improve the visual appeal of local parks, greenways, and public spaces within the city.

The Tree Service Experts Santa Rosa CEO, Robbie Barbera, has long been a passionate advocate for the preservation and protection of trees both in urban and natural settings. However, after seeing the current state of many city parks and greenways, he was inspired to take action and make a difference.

?At Tree Service Experts Santa Rosa, we believe that every person should have access to beautiful green spaces,? says Barbera. ?We were thrilled when the City of Santa Rosa contacted us about this project. We are proud to be part of this effort to provide our community with more accessible, welcoming parks and greenways.?

The Tree Service Experts Santa Rosa team will provide the city with various services, including tree trimming, stump grinding, removal, mulching, pruning, and fertilizing. They will also help to repair damage from stormwater runoff, improve soil health, and remove invasive species. More information on all the services offered by Tree Service Experts Santa Rosa can be gleaned here: <https://www.thelocaltreeexpert.com/ca/santa-rosa/>.

Barbera and his team are excited about the opportunity to work together with the city on this project. "It's so important for us to give back to our community," he says. "This is a great way to do that. By working together, we can create beautiful, safe spaces for everyone to enjoy."

Tree Service Experts Santa Rosa has a long history of supporting their local community. In addition to their commitment to beautifying the city, they have donated their time and resources to several other projects in the area, including tree planting initiatives and educational events.

"We feel very fortunate to be able to contribute to such an important cause," says Barbera. "We look forward to seeing the fruits of our labor come to life in our city parks and greenways. It's going to be an amazing transformation!"
