March 20, 2023 -
Santa Ana, CA ? As wildfire season approaches, Tree Service Experts Santa Ana is helping homeowners in the area to prepare and protect their properties from potential damage caused by the upcoming fires. The local tree care company, headed by Streeter Lucio, offers various hazard reduction services designed to reduce the risk of fire damage to homes.

"Wildfires can be unpredictable and devastatingly destructive to property," says Streeter Lucio, CEO of Tree Service Experts Santa Ana. "That's why it's so important to take proactive measures such as hazard reduction services to help reduce the risk of damage caused by wildfires."

The experienced team of arborists at Tree Service Experts Santa Ana provides several services tailored to reducing the risk of potential wildfire damage. They offer comprehensive hazard assessment and mitigation services, including weed reduction, tree removal, trimming, and strategically placing fire breaks and fire

retardant treatments.

Tree Service Experts Santa Ana has provided quality tree care services to the community for over 30 years. During this time, they have developed a reputation as one of the region's most reliable and knowledgeable tree care companies. They understand the complex needs of their clients and work to ensure that each project is completed to the highest standards.
