Los Angeles Tree Professionals? Sustainable Tree Care Program Recognized with National Environmental Award

March 22, 2023

March 22, 2023 -
Los Angeles, CA ? Los Angeles Tree Professionals has been awarded a national environmental award for its sustainable tree care program and commitment to preserving the environment. The company was honored at the 10th Annual Eco-Friendly Business Awards, held virtually this year.

The Eco-Friendly Business Awards recognize companies from across the country making an outstanding contribution to environmental protection and sustainability in the United States. Los Angeles Tree Professionals was one of five recipients of this prestigious award.

?We are so proud to be recognized by the Eco-Friendly Business Awards for our sustainable tree care program,? said Dennis Do, CEO of Los Angeles Tree Professionals. ?At Los Angeles Tree Professionals, we believe that tree care is more than just cutting down trees; it is about protecting the environment and preserving nature for future generations. We take great pride in our commitment to working in harmony with nature and providing safe, sustainable solutions for our clients.?

Los Angeles Tree Professionals? Sustainable Tree Care Program utilizes environmentally friendly products and practices to protect trees and the environment. These practices include using organic fertilizers and pesticides and minimizing soil disturbance during tree planting and trimming operations. Also, Los Angeles Tree Professionals uses advanced pruning techniques to maintain trees while preserving their health and longevity.

?We are committed to finding new and innovative ways to reduce our environmental impact,? said Do. ?This includes using solar energy to power our operations, partnering with local conservation organizations, and investing in research and development of new eco-friendly products and services.?

In addition to their sustainability efforts, Los Angeles Tree Professionals is actively involved in community events and initiatives throughout Los Angeles. The company participates in tree planting projects, sponsors environmental awareness campaigns, and donates its services to local parks and green spaces.

?It is our responsibility to keep our communities healthy and beautiful for future generations,? said Do. ?We are dedicated to doing our part in preserving the environment and educating the public on environmental issues. I am thrilled that our work has been recognized with this award.?

The Eco-Friendly Business Awards were established to recognize businesses leading the way in sustainability and environmental protection. Los Angeles Tree Professionals joins other esteemed award recipients, such as Patagonia, Tesla Motors, and Google Earth Outreach. Los Angeles Tree Professionals will receive its award at the 11th Annual Eco-Friendly Business Awards ceremony, scheduled for next April.
