So easy and quick to work with delivery was perfect the rentals were brand new in great condition. He will text you and work with you and help if he can!?

Joan E. said, ?Look no further for any of your rental needs! After 5 Party Rentals was fabulous in every way! Owner, Jim Rocha answered his phone on a Saturday weeks before the party when none of his competitors did. While he didn't have the size tent I was looking for, he assured me he could use (2) tents to get the desired look and the number of tables we were looking for to fit comfortably under the tents. His equipment was clean and looked brand new, and guests remarked how comfortable his chairs were. He came the night before with his sweet son and made sure everything was safely and securely set up. Weeks before the party I realized I needed to add more chairs and a table, and Jim responded almost immediately with an update to our order. Jim is personable, so friendly and hard working! He handles his customers in the most professional way and treats them like family. I won't hesitate (and have already) to recommend him to anyone looking for rentals. After 5 Party is a stand-out!?
