

Coolamon Dental Centre's Team Reflects on Their 17 Years of Dedication to Preserving Ellenbrook's Smiles

March 23, 2023

March 23, 2023 -
coolamondental.com.au, a trusted Ellenbrook dental practice, has been providing high-quality dental care and treatments to the local community for over 17 years. Their team of skilled dentists offers a range of services, including emergency dental care, pediatric dentistry, and cosmetic dentistry.

Dr. Kent Tan, the principal of Coolamon Dental Centre, emphasises the importance of providing accessible dental care and treatments to patients of all ages. "The team takes pride in being a family-friendly practice and strives to create a welcoming environment for everyone who walks through their doors," Dr. Kent Tan said.

One of the standout features of Coolamon Dental Centre is its state-of-the-art facility. The clinic is equipped with the latest dental technology, including digital X-rays, intraoral cameras, and laser dentistry equipment. This investment in modern dental tools enables the team to provide accurate diagnoses and effective treatment options for their patients.

Coolamon Dental Centre's experienced team of emergency dentists provides a full range of general dental

care and treatments, such as scale and clean, composite (white) fillings, ceramic fillings, and dental crowns. They also specialise in emergency dental care, offering prompt treatment for dental emergencies, including toothaches, chipped or broken teeth, and lost fillings or crowns.

The clinic's team of pediatric dentists is dedicated to ensuring children have a positive experience at the dentist. They use gentle techniques to help children feel comfortable during their dental procedures, helping to build a foundation for a lifetime of healthy dental habits.

Coolamon Dental - Dentist Ellenbrook's cosmetic dentistry services include teeth whitening, porcelain veneers, and Invisalign treatments. The clinic's Registered Specialist Orthodontist next door performs the Invisalign treatment, ensuring that patients receive expert care.

The clinic's commitment to patient care extends beyond its dental services. As preferred providers for health funds like HBF, HCF, CBHS Health Funds, NIB First Choice, Medibank for Better health, and smile.com.au, Coolamon Dental Centre offers easy payment options such as Afterpay, Dental Payment Plans, and Early Release Superannuation Funding.

Looking ahead, Dr.Tan said, "The team is committed to continuing to provide exceptional dental care & treatment to the community and will continue to invest in the latest dental technology and techniques to ensure their patients receive the best possible care."

Coolamon Dental Centre's dedication to providing affordable dental care to the Ellenbrook community has made them a trusted and respected dental practice. They are proud to serve their patients and look forward to continuing to provide exceptional dental care for many years to come.
