Elite Relocation provides a comprehensive moving service to customers in the immediate area and beyond. While the company may be based in Pflugerville, they are familiar with the layout of local communities both within and outside the city, and this means they are able to deliver a stress-free, affordable and efficient move no matter what a project may require. Given that the company places a high value on maintaining transparency with the customer at all times, it is in everyone?s best interests to talk to Elite Relocation?s representatives if they are planning to move in the near future.

?Our job,? the company states, ?is to make this part of your life easier. Moving is notorious for being difficult,

expensive and frustrating, but it does not have to be. With a professional service like ours, which was built from the ground-up to focus on the customer?s needs, you can rest assured that your needs will always be our biggest priority. We offer a variety of plans for a range of budgets, and this means our services are accessible to even the most budget-conscious customers. If you?re worried about the cost, come talk to us. You have nothing to lose.?

Elite Relocations offers free virtual and in-home estimates, so customers may have the company offer a quote online or in person. The team has nearly 40 years of combined experience, and this makes them adept at figuring out how much effort a move will take depending on the size of a property, the number of items being moved and other pertinent factors.

The free estimate, the company says, gives customers an opportunity to see what local businesses have to offer, and only the most competitive can impress without having to rely on hidden fees and charges. Further, should a home or business owner still find themselves hesitating to reach out, the company suggests looking up reviews from their other customers for more insight on the Elite experience.

Marie S. says about the BBB accredited company, ?Joe and his team are the best movers I have ever worked with. Timely, efficient, friendly, professional and safe. They protected our brand new home with blankets and floor coverings and wore masks! Reasonably priced, they are worth every penny as there was a definite hustle to their muscle. I couldn?t be more pleased. Will use them again in a heartbeat!?

Jose R. also says she used the company, ?for a crazy, complicated move for my business and personal items,? and she was pleased when the ?team went above and beyond to ensure everything was done correctly. They worked very hard and got it done quickly! I'm beyond happy with their services and will be using them again! They took excellent care of packing my items and putting plenty of padding when bringing them into the house. They are pros and very kind people! Highly recommended!?

Both reviews give the company a perfect 5-Star rating for their work, and these customers are only a small fraction of the true numbers who have already benefited from working with Elite Relocation. For instance, the company provides white glove packing services, helping make moves as smooth as possible. Customers who are concerned about their valuables surviving the trip can rely on the company to provide the tape, furniture blankets, shrink wrap and so on to protect every item, and the team will pack everything up with the utmost care.

In addition to Pflugerville, the company serves Austin, Round Rock, Georgetown, Temple, Manor, Elgin and Hutto. Those who are not sure if their area is covered (or who wish to learn more about the company) are
