

# Lagniappe Chauffeured Services Announces New Sustainability Initiatives for Limo Services in New Orleans

*March 27, 2023*

New Orleans, Louisiana - March 27, 2023 -

New Orleans, LA - Lagniappe Chauffeured Services, a leading luxury transportation company, has announced new sustainability initiatives as part of its commitment to the environment and social responsibility.

The company is proud to have taken significant steps toward reducing its carbon footprint, including the adoption of hybrid and electric vehicles in its fleet. By integrating these eco-friendly vehicles, the company aims to reduce emissions and promote sustainable transportation.

"At Lagniappe Chauffeured Services, we take our responsibility towards the environment seriously. We believe that every small step counts towards a larger goal of creating a better future for our planet," said Robert Daspit, the CEO of Lagniappe Chauffeured Services.

The company's sustainability initiatives don't just stop with its fleet. They have also implemented eco-friendly practices in their office, such as recycling and reducing paper usage.

Moreover, Lagniappe Chauffeured Services has partnered with organizations working towards environmental conservation, demonstrating their commitment to being responsible corporate citizens.

"We recognize that sustainable transportation is not only good for the environment, but it is also a smart business decision. Our customers are increasingly looking for eco-friendly transportation options, and we are proud to be able to offer them that choice," added Daspit.

The company is confident that these initiatives will have a positive impact on their community and the

environment, and they invite their customers and partners to join them in their efforts towards a more sustainable future.
