In one of the company's recent reviews, one customer writes, "We had an awesome experience with Blue Dumpsters. Showed up on time for drop off, and also for pick up. It was very nice to see equipment that was well-maintained. Usually, when I see other dumpster companies, they are eye sores. But I had no problem seeing this in front of my house. Thank you for taking pride in your company! Will definitely use them again for our next home project."

Another review comments that, "We had a great experience renting a dumpster through Adam at Blue

Dumpsters! Price was very competitive and included a 10 day rental period. Adam's response was prompt, and we were able to schedule delivery and pickup as needed. Dumpster was in a new condition, easy to load and clean as a whistle! We'll rent from Adam again in fall for our next cleanup project!
