March 07, 2016 - PRESSADVANTAGE -

With more people struggling to get on the property market and at the same time the growing trend to purchase investment properties, Lemon Tree Financial, a financial advisory business in Harrow, Middlesex, United Kingdom, is proud to announce that they excel at helping local people finance Buy to Let investments. Mitul Patel from Lemon Tree has been recognized as Top Rated Adviser on VouchedFor.co.uk because of his high volume of positive client reviews. This has made Lemon Tree Financial a vital resource for local residents. The Sunday Mail has also featured Mitul on Sunday's 'Financial Professionals' supplement in recognition of his success.

Mitul himself says: "Being Top Rated means a great deal and I'd like to thank all the people locally who helped me to achieve this status. Getting professional Buy To Let advice can save you money and time. My job is to prevent clients from making an expensive mistake and receiving the accolade Top Rated advisor is a great illustration of how happy my clients are with the service I provide."

The mortgage system in the United Kingdom has gone through a huge overhaul in response to the housing market collapse of 2007. As a result, what was once a complex process has now become even more

confusing so that most people struggle to get to grips with it. Different processes have to be put in place for buy to let mortgages and professional Buy To Let advice is needed whether you are a first time landlord or an experienced property professional.

Mitul and his team have worked very hard to remain fully up to date with latest regulations and the various mortgage products that are out there for those interested in purchasing a buy to let property. "I'm really excited about being Top Rated. It's great to be recognised for all of my hard work and being named as one of the best in the UK in the Mail on Sunday really added to the feel good factor!"

The adviser encourages anyone interested in purchasing a property in the Harrow area to contact Lemon Tree Financial as soon as possible.

Lemon Tree Financial is authorised and regulated by the Financial Conduct Authority, registration number 401013.
