

Roofing Contractor Serving Lakewood Ranch Florida Earns Another Five Star Review

April 11, 2023

April 11, 2023 - PRESSADVANTAGE -

Mighty Dog Roofing in Lakewood Ranch FL is pleased to announce they have earned another five star review. This is a locally owned and operated roofing contractor with more than 20 years of experience in providing high quality roofing services to both homeowners and business owners in Lakewood Ranch and surrounding areas. They can provide roof inspection, roof installation, roof repair, attic venting, gutter inspection, gutter installation, gutter repair, and more.

In the above-mentioned five star review, Ron A. said, "Reached out to Mighty Dog late on a Friday. I had some blown in soffit from a windstorm. Reached out to a few different roofing companies. Mighty Dog was the first to show up Monday morning. Prompt fix at a very reasonable price. Only good things to say about this company." They currently have an overall rating of 4.9 out of 5 stars.

For the roof inspection, they will use the Drone Superscan, which is drone-assisted that enables them to provide an unbiased and objective inspection report for clients before developing a plan for a roofing project. This is a 21-point inspection plan that offers critical information about the baseline health of the roof and other exterior components of the home. The inspection report generated is preferred by insurance firms and

realtors because of its objectiveness.

The 25 points to be considered in the inspection to be performed by Mighty Dog Roofing SWFL are: inspection of skylights; ventilation inspection; aircon unit exterior inspection; eaves and rakes inspection; drip edge inspection; inspection of step counter flashing; roof edging inspection; nail head inspection; inspection of valleys; inspection of gutter aprons; hip and ridge inspection; inspection of step and counter flashing; plumbing stack inspection; chimney inspection; soffits and fascia inspection; window inspection; attic inspection; inspection of roof sheathing or decking; inspection of siding; downspouts inspection; roof ventilation and exhaust system inspection; inspection of storm damage caused by hail; foundation drainage inspection; gutters inspection; inspection of storm damage caused by the wind; and inspection of furnace caps and pipes.

They also provide a Mighty Watchdog Maintenance service, which consists of yearly inspections of the roof and other exterior components of the home. This has the goal of checking on the current condition of the roof and the other parts to ensure that there are no developing problems. If there is a problem that is observed no matter how minor it is, such as a small roof leak, the relevant solution can be given to prevent it from developing into a more serious issue that will be more costly to repair. The annual reports will also be compared to determine how the roof condition is holding up and possibly have a reasonably good estimate of how long the roof will last, enabling the homeowner to be prepared for the huge expense of a roof replacement or repair.

Meanwhile, another important feature of the services provided by Mighty Dog Roofing is the Customer Vault, which is a personal vault that is provided for each client. This is a personal storage space for important information about the roof and other exterior parts of the home of a specific client. Only that particular client and Mighty Dog Roofing will have access to each Customer Vault, which will contain pictures, details of each particular project, materials used, inspection reports, manufacturer information, warranties, and more.

Mighty Dog Roofing of Lakewood Ranch is locally owned and operated by Philip Crutchfield, who has been an entrepreneur since 2011 when he organized his first business that provided assistance to non-profit organizations at special events. In 2016, He launched a new business venture building technology for the valet and parking industry. Later on, he became attracted to the Mighty Dog Roofing business because of its capability to modernize the roofing industry with advanced technology.

Those who are searching for a roofing contractor serving Lakewood Ranch Florida can visit the Mighty Dog Roofing website or contact them through the phone. They can be contacted 24 hours a day from Monday to Sunday.
