

Emergency Dentist Brisbane Introduces a New Financing Solution for Emergency Dental Care

March 30, 2023

March 30, 2023 - PRESSADVANTAGE -

My Emergency Dentist Brisbane, a premier provider of emergency dental services, has recently introduced a new financing option aimed at making emergency dental care more affordable and accessible to all. Through partnerships with Afterpay and Zip Pay, patients can now take advantage of flexible payment plans and competitive interest rates to meet their financial requirements.

According to Dr Zaheer Kadwa, GIDE Master Clinician for My Emergency Dentist, "The team understands that dental emergencies can be stressful and costly, and wanted to make sure that each patient can access the care they need without financial concerns. That is why My Emergency Dentist has introduced new financing options to make emergency dental care more affordable and accessible to the patients."

Emergency Dentist Brisbane understands that dental emergencies can occur unexpectedly and demand prompt attention. They provide a range of urgent dental care services, such as toothaches, fractured or damaged teeth, bleeding gums, and more.

One of the main concerns patients have when seeking emergency dental care is the cost. My Emergency

Dentist understands this concern and is proud to offer a range of financing options that suit the needs and budget of their patients.

With Afterpay and Zip Pay, patients can apply online in minutes and spread the cost of their treatment with flexible interest-free payments. Depending on the treatment needed, patients can enjoy up to 24 months of interest-free financing and Loan amounts from \$100 to \$2,000.

Dr Zaheer Kadwa further explains, "Emergency Dentist Brisbane's new financing options will help patients receive the dental care they need without having to worry about the cost."

My Emergency Dentist encourages patients to seek treatment right away in the event of a dental emergency to avoid further damage to their teeth and gums. They also remind patients that they may be eligible for rebates or free emergency dental treatment if they visit a public hospital in Brisbane and meet the eligibility requirements.

Looking forward, My Emergency Dentist Brisbane remains committed to providing high-quality emergency dental care services to their patients. "The team are always exploring new ways to improve the services and make emergency dental care more accessible and affordable for each patient," says Dr Zaheer Kadwa.
