Recurring cleaning services allow homeowners to set up their property?s maintenance schedule once and then forget about ever having to do those chores again. They are especially a godsend for VRBO (Vacation Rental By Owner) properties that need regular upkeep to appeal to a constant stream of incoming guests.

Property owners can trust 321 Maids to save them time and effort that could be put to good use elsewhere. Moreover, its flexible cleaning packages also allow homeowners and VRBO owners to pick and choose the services they want to pay for, as well as their frequency, saving money in the long term. The bookings can be made completely online using the company?s easy-to-use website with several options for cash-free payments.

321 Maids uses a standard cleaning checklist that thoroughly lists all the basic tasks needed to keep a home healthy and sanitary. Appointments can be scheduled weekly, every two weeks, every three weeks, or monthly. The Florida cleaning services company also offers plentiful discounts on different order sizes to help its customers save big.

?The more frequent cleaning services you sign up for, the bigger the discount,? the spokesperson for 321 Maids says. ?Our monthly cleaning services offer a 10% discount. You can save 12 and 15% if you sign up for a cleaning every 3 and 2 weeks respectively. Finally, if you run a highly booked Airbnb or rental, you can opt for our weekly cleaning services and save a whopping 20%. Call us today to find out more about our well received and loved VRBO cleaning service packages in Florida.?

The company?s cleaning services cover all areas and rooms of the house including kitchens, bathrooms, and bedrooms. Customers can opt for standard cleaning or deep cleaning with the latter covering every problematic nook and cranny of the property. The cleaning crew will empty all the bins, vacuum and mop the floor, dust the surfaces, clean the baseboards, window ledges, and light switches, and dust and wipe the doors.

For the kitchen, 321 Maids will wipe the fridge, clean the countertops, wipe the appliances, clean the sink and the stove, clean the inside of the microwave, wipe the oven, clean the stainless steel, and tidy the insides of cabinets and drawers. In the bathroom, the company?s crew will clean the countertops and the sink, scrub the toilets, rinse, and wipe the tub and shower, scrub the tub and shower, and buff the mirror and chrome.
