

Tree Service Experts Pasadena Launches Innovative Bio-Stimulant Products to Reduce Tree Stress

April 03, 2023

Pasadena, California - April 03, 2023 -
Pasadena, CA - Tree Service Experts Pasadena, a leading tree service provider in the San Gabriel Valley, has launched a new line of innovative bio-stimulant products designed to reduce tree stress and increase their health and longevity. The new range of products includes everything from fertilizers to soil treatments, giving tree owners the tools to keep their trees healthy year-round.

"At Tree Service Experts Pasadena, we believe that healthy trees are happy trees," says Myron Colley, CEO of Tree Service Experts Pasadena. "We want to provide our customers with the best products to ensure their trees remain strong and vibrant."

The new line of bio-stimulant products is designed to help reduce the stress on trees caused by pests, diseases, drought, and other environmental factors. The company offers a variety of treatments designed to improve the health of trees, including fertilizer and soil treatments, fungicides, insecticides, and more. All the products are made with natural ingredients, making them safe for people and the environment.
