Unwind and enjoy one of their signature facials. Drawing on centuries-old Cypriot remedies and modern-day techniques, various facial treatments are offered to nourish and reinvigorate the photodamaged, scarred, and pigmented skin. All facial treatments are tailored to the client's needs, from deep cleansing treatments to vitamin-rich exfoliations and nourishing masks.

Using the latest laser skin resurfacing technology, skin-rejuvenating chemical peels, and advanced micro-needling treatments, the spa's medical aesthetic treatments are designed to improve skin texture, reduce fine lines and wrinkles, and reduce hyperpigmentation.
