Jacksonville Tree Service Experts Launch Innovative Tree-Based Art Installations

April 04, 2023

April 04, 2023 -
Jacksonville, FL - Jacksonville Tree Service Experts is proud to announce their new service: tree-based art installations using sustainable materials. The company specializes in expert tree care and removal services and now offers this innovative solution for those looking to add a unique touch to their outdoor spaces.

?At Jacksonville Tree Service Experts, we strive to provide our customers with the best possible service when it comes to all aspects of tree care,? said Beatrice Lindesy, CEO of Jacksonville Tree Service Experts. ?That?s why we?re so excited about launching this new service ? we believe it will be a great way for people to express their creativity and create something beautiful in their backyard.?

This unique service allows clients to transform their gardens or yards into works of art. Using various materials such as wood, stones, and other sustainable elements, Jacksonville Tree Service Experts can create custom art installations that are both aesthetically pleasing and environmentally friendly. The experts will incorporate existing trees and plants into the design to create a cohesive look that blends into the natural environment.

The Jacksonville Tree Service Experts professional crew has decades of experience in all tree care services. They understand the importance of working with nature and using only eco-friendly materials, making them the perfect choice for anyone looking for a creative solution for their outdoor areas.

?We know how important it is to preserve and protect our natural environment, and that?s why we take extra care when it comes to creating art installations using sustainable materials,? said Lindesy. ?Not only does

this approach help reduce our carbon footprint, but it also allows us to showcase our creativity and design expertise. As a result, we believe these projects can positively impact our communities and environment.?

Founded in 2001, Jacksonville Tree Service Experts has become one of the leading tree care companies in the area, providing expert pruning, trimming, and removal services. Adding tree-based art installations means they can offer a more creative solution for those looking to spruce up their outdoor space.
