

Plumbing Company Expands Service Area Throughout The Southwest Suburbs of Chicago

April 26, 2023

Frankfort, Illinois - April 26, 2023 - PRESSADVANTAGE -

Flatley's Plumbing Express, a family-run plumbing business serving the Southwest Suburbs of Chicago since 1960, is offering a wide range of highly rated, professional plumbing services.

With over 60 years of service, Flatley's has built up a reputation for delivering top-notch plumbing services with reliability. Homeowners and business owners in the Chicago Southwest Suburb areas who are facing a plumbing emergency such as leaky or burst pipes can contact the company any time to have their problems resolved quickly. The professionally licensed, bonded, and insured company has three locations to offer prompt service to its customers in Cook County, DuPage County, and Will County.

For homeowners dealing with a damaged sewer system, the company's professional plumbers can provide a thorough assessment by considering the extent of the damage, age of the pipes, cost-effectiveness, material of the pipes, and more. Depending on their findings, they might recommend repairs or a full replacement. The company uses some of the latest technologies to fix sewer problems without digging the ground including

hydro water jetting, video camera sewer inspections, and electronic locators.

The company's plumbing services take care of problems in every room of the house. In the bathroom, Flatley's Plumbing Express can help install sinks and faucets, fix issues with their drainage, and solve problems plaguing the garbage disposal. Its bathroom plumbing services include clogged toilets and drainage systems and even complete remodels. Homeowners struggling with basement flooding can turn to Flatley's to install and repair sump pump and sump pump pit systems, ejector pump pit systems, and battery backup flood systems.

Flatley's Plumbing Express can also help homeowners install and maintain tankless water heaters and natural gas water heaters. The company also specializes in drain cleaning, drain repair, sewer line repair including trenchless sewer line repairs, and sewer line replacement. "We treat our customers like one of our own," says Patrick Flatley, the owner of the company. "If you're searching for a reputable local plumber, then you've come to the right place. Our team of professional plumbers at our full-service plumbing company delivers top-quality service and stands behind our work. Our motto, as first coined by our founder Michael Flatley, is "We do it for less and don't leave a mess." It perfectly captures our dedication to offering our customers a first-rate experience at affordable prices. It is no wonder that after all these years we are still the top choice for local plumbing services in the Southwest Suburbs of Chicago. If you want to find out more about what our customers are saying about us, visit our Google Business Profile at <https://goo.gl/maps/MviX8j6z4rq5z32e7> to read their reviews for yourself."

With an A+ rating from the Better Business Bureau and an impressive overall rating of 4.7 out of 5.0 on its Google Business Profile, Flatley's Plumbing Express has earned the trust and respect of residents in the Southwest Suburbs of Chicago that it serves. The company's customers praise Flatley for its professional and courteous team members, the reasonable pricing of its services, and the fast response times.

One recent customer review says, "It was a pleasure working with Plumbing Express. I appreciate the promptness, courtesy, and professionalism that I was shown. Zach caught a potentially dangerous problem I was unaware of. Thank you so much for your expertise and genuine care for us! I will always call you for service!"

Another satisfied Southwest Suburbs of Chicago homeowner writes, "I called last minute with an issue with my bathroom plumbing. My husband was in the hospital and it was all on me. I called and they were at my home within a few hours. I received a text so I could meet them at my house. I was extremely happy with my service and would absolutely recommend them. Thank you, thank you, thank you!"
