

Conveyancer In Brisbane LEAD Conveyancing Launches a YouTube Channel

April 20, 2023

BRISBANE, QLD - April 20, 2023 -
LEAD Conveyancing, an award-winning property conveyancer in Brisbane, has announced the launch of its YouTube channel filled with up-to-date and relevant content about the conveyancing process in QLD.

Popular with its clients for its fully-online operations, LEAD Conveyancing Brisbane makes an effort to share as much information as it can to make the conveyancing process less intimidating for Australian property owners. The content uploaded to its YouTube channel, then, serves as an informative primer to get up to speed on what to expect before buying or selling property in the country. Some of the videos on its YouTube channel deal with topics such as ?What Queensland Buyers Need To Know,? ?Selling in Queensland?,? ?Buying & Selling At The Same Time,? and more.

?We understand the hesitation that our clients might have about investing in or selling property worth hundreds of thousands of dollars,? says Kristy Fletcher LLB, Senior Lawyer at LEAD Conveyancing. ?As someone who has worked their entire life to save up that money or acquire that property, you want complete

assurance that there will be no last-minute surprises when going forward with the deal. The team we have assembled here at LEAD Conveyancing is experienced enough to remove all obstacles in the way of the deal going through smoothly. Just in case you want to do your own research before jumping in, the YouTube channel and the content on our website is a good starting point to understand what you are in for.?

Queensland property owners and buyers can head over to the LEAD Conveyancing Brisbane website to browse through several resources explaining the legal requirements and steps in the conveyancing process in Queensland, Victoria, NSW, and other parts of Australia. The company also provides an easy-to-use and free calculator for estimating the conveyancing fees that clients will have to pay for the company?s many services.

LEAD Conveyancing?s services include helping clients with buying an existing or off-the-plan residential property, including reviewing the contract of the proposed purchase, selling an existing residential property, including drafting the contract and Section 32 (Vendor?s Statement), property transfers between related parties, stand-alone contract review, stand-alone contract drafting, and more. The company will be with its clients all the way from the initial consultation to the final settlement.

One of the biggest benefits of working with LEAD Conveyancing is its focus on being an online-first operation. For its clients in Queensland and all over Australia, this means the convenience of managing all the aspects of the conveyancing process at any time and from anywhere across the globe. The company eschews the use of paper documents, sends very few documents by post, and handles everything via email or phone. For example, all the documents needed are fully digital and can be signed using e-signing technology.

Property owners in Australia have given LEAD Conveyancing the thumbs up for its convenient and responsive conveyancing services. The company has an outstanding overall rating of 4.8 out of 5.0 on its Trust Pilot page from over 275 reviews and a perfect 5-star rating from over 135 reviews on its Word Of Mouth page. Reviewers praise the company?s experienced and knowledgeable personnel, helpful customer service, and accurate conveyancing services.

One recent review says, ?I was a little apprehensive about picking an online company, but very happy with my decision. Being able to handle everything without face-to-face appointments made the whole process very efficient. I only dealt with my paralegal, but he is an absolute asset. Negotiations were handled easily and he answered all of my questions. Really felt like I had a genuine friend on my side, which made buying our first home a lot less intimidating.?

Readers can get in touch with LEAD Conveyancing Brisbane at 1800 532 326 to get started with its range of

property conveyancing services in Australia. Property owners and buyers planning on completing a real estate transaction soon are also urged to visit its YouTube page to find out more about the complete process.
