April 25, 2023

April 25, 2023 -

LEAD Conveyancing Logan, a well-regarded property conveyancing company with multiple offices throughout Australia, is pleased to announce the launch of its new YouTube channel. Customers are encouraged to explore the channel's content, which covers a variety of conveyancing-related topics and aims to provide valuable insights into the property conveyancing process.

With a presence in Brisbane, Melbourne, Sydney, and across Queensland, Victoria, and New South Wales, LEAD Conveyancing has established itself as the go-to property conveyancing firm for clients who value convenience and excellent customer service. Now, to make it easier for its clients to get an in-depth look at the services it offers and to educate them about the property conveyancing process in Australia, the company has launched a brand-new YouTube channel that hosts several videos on relevant topics.

?We get a lot of questions from our clients about how property conveyancing works in the country,? says Trinh Thai, the founder of LEAD Conveyancing and its current Legal Director. ?And why shouldn?t they be

curious? Buying or selling property is one of the most consequential and high-value transactions that most people will make in their entire life. It is natural to feel the need to educate oneself about the legal process as much as possible. So, with the launch of the new YouTube channel, we are putting everything that you need to know in easily accessible videos that will get you up to speed. Of course, if you have any more questions about the process or are ready to take the leap, give us a call today. My team of handpicked experts here at LEAD Conveyancing would love to help you out and get you started on buying and selling property in Australia.?

LEAD Conveyancing's solicitors are committed to providing unparalleled convenience and flexibility to their clients regarding property conveyancing services. The company adopts a digital-first approach, with a focus on reducing paperwork and delivering services fully online, including virtual meetings and e-signing of documents. This approach ensures excellent customer service as the team is readily available to assist clients, regardless of their location. Additionally, the company minimizes the use of paper, preferring to conduct most correspondence via email or phone, and sends minimal communication through the post.

For the value LEAD Conveyancing offers its clients, the company has won the 2022 Service Award from WordOfMouth.com and boasts a perfect 5-star rating on the website from over 135 reviews. Similarly, on Trust Pilot, the company has an enviable overall rating of 4.8 out of 5.0 from over 275 reviews. Clients praise the company?s knowledgeable and helpful staff, the ease of working with its professional property lawyers completely online, and the high-quality results it consistently delivers.

One recent customer review says, ?I've had the opportunity of working with the LEAD Conveyancing team in a recent property sale. The overall experience is a positive one. I would engage the team again for my future property dealings. In particular, my heartfelt thanks to Sherry and Simon, a dream team to work with. Sherry's expertise in property transactions is invaluable, and Simon is thoughtful and detail-oriented. Customer experience is a thumbs-up, I would recommend LEAD Conveyancing to family and friends.?

Another client writes, ?Right from the first contact, communication was prompt and informative. Then, throughout the whole process, we were kept highly informed. Alice remained incredibly professional and worked very hard to keep the end goal on track even when others were making the task difficult. I would highly recommend LEAD Conveyancing and will definitely use their services again.?

?As a certified member of PEXA (Property Exchange Australia), the country?s online property exchange network,? says Trinh Thai, ?we can help you with a wide range of property conveyancing services such as buying an existing or off-the-plan residential property, including reviewing your contract of the proposed purchase, selling an existing residential property, including drafting your contract and Section 32, property transfers between related parties, stand-alone contract review, stand-alone contract drafting, and more. Our quote includes full costs from search certificates, disbursements, council fees, body corp fees, and other

associated costs with conveyancing.?
