For those who prefer a larger one, they have the 18-foot Tropical Combo Unit, which has a huge bouncing area, a slide, and a climbing wall.

Water slides are popular in Texas, especially during the hot summer days because they provide a great way to cool off. They have a range of inflatable water slide rentals, from the smaller ones that are great for backyard parties to the bigger slides that are often used in community events. Their most popular water slide is the 20-foot Dual Lane Water Slide, which has two lanes to allow two people to race each other to the bottom. It also has a splash pool at the bottom to provide the guest with that refreshing cool water splash.
