One review of the company states, "We had a great experience with OLT. We booked our rides in advance,

and our drivers showed up on time. We used the service to pick us up at the airport and take us to The Grand Floridian hotel. We were traveling with our 6-year-old granddaughter, who was going to Disney for the first time. Having a car service just made our trip less stressful and allowed us to just sit back and relax. The drivers texted us when they arrived on site, and I was never worried about how we were getting to and from the airport. I highly recommend using this service. The drivers are very personable, professional and took excellent care of us.?
