Party Rental Waco TX, known as the premiere party supply store in Waco, TX, is celebrating a 5 star review. From bounce houses to margarita makers ? Party Rental Waco TX has everything a party needs. Created by a humble group of event planners driven to become the number 1 party store in Waco, Party Rental Waco TX? mission is to ?providing exceptional service and high-quality products at an affordable price.

This ?exceptional service? is the subject of a 5 star review for the company. This review comes from Sara T. from West Waco, who writes:

Sara T. ? ?It?s #1 of all Waco Party Rentals.?

?We loved our experience with Party Rental Waco TX. They made my son?s 8th birthday party one to remember. All the inflatables are clean and high quality. They showed up 2 hours beforehand to get everything set up. Plus, pickup was super easy. My son was so happy. 5 stars?I will work with them again.?

Reviews like this are what the company prides itself on, says company owner Aeron Barajas. The team

values the opportunity to be part of so many special moments, and takes customer satisfaction seriously.

?We treat every event like it?s our own,? Barajas says. "We provide friendly, high quality service with every party."

Since the inception of the company, Party Rental Waco TX has striven to become the go-to 1-stop-shop for all party supplies in Waco.

?Everyone loves a good party, and we know what it takes to make an event memorable,? Barajas says. ?We offer a large variety of bounce houses, water slides, and other fun inflatables. Customers can also rent functional supplies, like tables, tents, chairs, napkins, plates and even cutlery. Plus, our team members are very friendly and highly trained. We aim to make everyone?s event the best possible.?

Party planning, according to LinkedIn, is one of the top ten most stressful jobs in the country. Barajas and his team look to eliminate the stress and anxiety that comes with planning an event, so customers can sit back, relax and enjoy the party.

Whether throwing a backyard birthday or a large-scale corporate event, Party Rental Waco TX can get the job done, says Barajas. ?It?s not the size of the party that matters, it?s the memories that will be made. That?s why we serve parties of all sizes,? he states.

The main attraction at Party Rental Waco TX is their selection of bounce houses and inflatables. They have cake bounce houses, combo bounce houses, inflatable interactive games, dry slides, and a popular summer inflatable, water slides. Suitable for bouncers aged 5 and up, these inflatables are typically booked for birthdays, bar mitzvahs, little league celebrations, school events, block parties, family reunions, family festivals, and other similar events.

For reference, most popular inflatables (such as cake jumps) average around 15 X 15, but smaller and larger sizes are available upon request. Customers should measure event space, and then speak to a Heart of Texas Party Rental team member to rent inflatables of the right fit. Customers should also be aware that inflatables require a power source to run, so if the event takes place at a public park or some place similar, a generator will be necessary. For set up, technicians will arrive anywhere between 1 - 3 hours before the event depending on scheduled parties. For break down, the team will arrive promptly at the end of the 4 hour rental time. More time can be added to rental, for a fee.

Although the inflatables and kid-centered activities are a huge portion of their inventory, Party Rental Waco TX has the capability to put on elegant, chic events as well. Wedding receptions, art galas, awards ceremonies and beyond can all be achieved with Party Rental Waco TX.

For parties, events, and any memorable moment, Party Rental Waco TX wants to serve Waco?s next event. To book, contact the company at (254) 218-1079 or visit their website at partyrentalwacotx.com.
