

Edmond Oklahoma's Premier Outdoor Lighting Company Offers Various Outdoor Lighting Solutions

April 27, 2023

April 27, 2023 - PRESSADVANTAGE -

Bling! of Oklahoma City, based in Edmond, OK, wants to emphasize that they have a team of outdoor lighting installation professionals who can handle various types of outdoor lighting required by the client. Their outdoor lighting design specialists will help the client in choosing the look and feel that will be most suitable for the specific home or event. They employ computer-based lighting technology to allow the client to visualize how the lighting project would look like after it has been completed. Those who want to know more about the services of Bling! of Oklahoma City can visit company website.

A spokesperson from Bling! says, "Bling! is not only committed to premier lighting, but we are also committed to providing you a premier customer service experience. Our Edmond Oklahoma lighting specialists and design team are eager to help bring your lighting project to life - from design to installation, to ongoing support, Bling! is your trusted lighting partner and will be with you every step of the way."

They always use professional grade lighting products and technology to ensure that the home, business, or event will be a beautiful sight and the lights will continue to be bright and efficient for a long time. They can ensure that the lighting bulbs and fixtures are capable of surviving even the worst kind of weather in Edmond,

OK.

Some of the outdoor lighting projects they can handle include: landscape and patio lighting, permanent lighting, event lighting, holiday lighting, and commercial lighting. With their outdoor landscape and patio lighting service, they will illuminate the architecture of the client's home or building and its surrounding landscape. Their lighting designers can handle various spaces such as: patios; deck lights; gazebos; porches; fire pits; grills; bar or restaurant space; outdoor swimming pools; and outdoor wall lights, step lights, and wall sconces.

Blingle lighting specialists can also handle the permanent lighting requirements of homes or buildings. They will make sure that the lights will blend with the fascia to ensure a seamless look during the day while providing an impressive lighting experience at night. Since these are intended to be used as permanent lighting, they just need to be installed once and the lighting can be enjoyed for the entire year daily and for various seasons and celebrations. These can be used for: roof-line lighting, landscape lighting, yard and pathway lighting, Christmas tree lighting, outdoor tree lighting, and more. Those interested in learning more about Blingle can visit web site.

Clients can also request for a lighting solution for any kind of event. The Blingle lighting specialists can help bring the event to life for various kinds of celebrations, such as: weddings, fundraisers, mitzvahs, grand openings, graduations, corporate parties, pride month, game day, and parties.

Another important outdoor lighting service they can provide is professional holiday lighting. They can help bring the holiday to life, including: Christmas, Hanukkah, Halloween, July Fourth, Valentine's Day, and more.

Blingle can also provide various kinds of commercial lighting design. These include: commercial event lighting, commercial Christmas lighting design and installation, commercial patio lighting, commercial outdoor lighting, commercial landscape lighting, lighting for municipalities, and commercial lighting for real estate and staging photography.

Blingle of Oklahoma City is owned by Devin Jackson, who has been a member of the Oklahoma City community since 2014. He has an MBA degree from Oklahoma Christian University, and he has more than 16 years of experience in regulatory compliance. Whatever the lighting needs of clients, Whatever the lighting project, Devin and his team will always make sure to provide the best customer experience. They can provide: residential lighting, low voltage LED lighting, landscape lighting, dock lighting, deck outdoor living lighting, string lighting, accent lights, patio chandeliers, path lights, and accessibility lighting.
