Hampers by Design's range of gift hampers features various options, but two of their most popular hampers are the Chocs, Socks & Snuggles Gift Box and Lux Essence Gift Basket.

The Chocs, Socks & Snuggles Gift Box is perfect for snuggling up and relaxing. It includes a micro plush bathrobe, a large oversize mug, ultra-soft, skin-friendly bamboo socks with one's choice of print, and a selection of indulgent chocolates and snacks.

The Lux Essence Gift Basket, on the other hand, features exquisite Western Australian body pampering products and delicious edibles, all presented in a reusable whitewash basket. It includes luxury bath salts, an exfoliating mitt, a scented candle, handcrafted marshmallows, creamy solid milk chocolate hearts, a tea sachet, travel soap, and foil-wrapped chocolate hearts.

Hampers by Design has been creating unique and quality gift hampers for over a decade, sourcing gourmet foods, wines, chocolates, and body pamper products from predominantly Western Australian producers and suppliers. Their extensive range of gift hampers and gift baskets includes options for every occasion, such as Christmas gifts, wine & alcohol gifts, gourmet food, mother and baby hampers, chocolate hampers, and Western Australian produce gifts.

Looking to the future, Hampers by Design aims to continue expanding its product range and delivery services to reach even more customers across Australia.
