Tree-Sap Cocktails: Lincoln Tree Service Pros Mixes Nature and Nightlife with Unique Partnership

April 19, 2023

April 19, 2023 -
LINCOLN, CA ? Lincoln Tree Service Pros, a premier provider of tree care services in Northern California, has announced an innovative partnership with local mixologists to create a series of nature-inspired cocktails featuring tree sap as a key ingredient. This unique collaboration aims to merge the worlds of nature and nightlife by introducing patrons to the diverse and delicious flavors of tree sap in a fun and unconventional way.

Selman Homer, CEO of Lincoln Tree Service Pros, is excited about the potential of this partnership to spark new interest in the natural world and encourage a greater appreciation for the often-overlooked wonders of trees. "We're always looking for creative ways to engage our community and promote environmental stewardship, and our tree-sap cocktail partnership is a perfect example of this approach," Homer said. "By introducing people to the rich, complex flavors of tree sap in a social setting, we hope to inspire curiosity and encourage a deeper connection with the natural world."

The tree-sap cocktails are crafted using sustainably harvested sap from various tree species, including maple, birch, and walnut. Each cocktail is expertly blended to showcase the unique flavors and characteristics of the sap, resulting in a diverse menu of nature-inspired libations. In addition to the tree-sap cocktails, the partnership will also feature a series of educational events and tastings designed to educate patrons on the art of sap harvesting and the role of trees in the ecosystems.

Homer elaborated on the partnership's inspiration: "Trees provide us with so much more than just shade and beauty. They offer a wealth of resources, including sap, which can be used in various culinary applications. By partnering with talented mixologists to create tree-sap cocktails, we can share this amazing resource with

our community in a fresh, exciting way."

The collaboration between Lincoln Tree Service Pros and the local mixologists not only offers patrons a unique and enjoyable experience but also serves as a reminder of trees' vital role and the importance of responsible tree care practices.

"Our partnership with the mixologists is about more than just creating delicious, innovative cocktails," Homer said. "It's about fostering a greater appreciation for trees and the many gifts they provide, as well as promoting responsible tree care and environmental stewardship."

Lincoln Tree Service Pros' tree-sap cocktail partnership is just one of the many ways the company is dedicated to engaging with the community and promoting a greater appreciation for the natural world. In addition, the company strives to inspire a new generation of tree enthusiasts and environmental stewards through various educational initiatives, outreach programs, and innovative collaborations.

Homer emphasized the importance of this mission, stating, "Our goal is to create a world where people recognize and value the incredible contributions that trees make to our lives and the environment. By hosting events like our tree-sap cocktail partnership and engaging with our community, we hope to inspire a new generation of tree lovers and environmental stewards."

Lincoln Tree Service Pros plans and handles tree care procedures from its base of operation located at 112 Flocchini Cir Lincoln, CA, 95648. Homeowners interested in the company's services can contact its office at 916-304-1599 and sales@placertreeservice.com.
