April 19, 2023 - PRESSADVANTAGE -

RANCHO CORDOVA, CA ? Rancho Cordova Tree Service Experts, a leading provider of tree care services in Northern California, is excited to announce a unique collaboration with local celebrities and fashion designers for a tree-themed fashion show. The event aims to raise awareness about the importance of trees and the environment while showcasing the creative talents of the fashion community.

Filson Bryant, CEO of Rancho Cordova Tree Service Experts, is enthusiastic about the potential of the tree-themed fashion show to inspire a greater appreciation for trees and the environment. "We're thrilled to be partnering with local celebrities and fashion designers for this one-of-a-kind event," Bryant said. "By merging the worlds of fashion and nature, we hope to create a memorable experience that not only entertains but also educates our community about the importance of trees and the need for responsible tree care practices."

The tree-themed fashion show will feature a variety of designs inspired by the beauty and diversity of trees, incorporating elements such as leaves, branches, and bark into the garments. In addition, local celebrities will

take to the runway, donning unique creations and showcasing the incredible talent of the participating designers. The event aims to spark a dialogue about trees' vital role in the environment and the importance of responsible tree care practices.

Bryant elaborated on the inspiration behind the collaboration, "As a tree care company, we have a deep appreciation for the incredible beauty and diversity of trees. We wanted to find a way to share this passion with our community, and we believe that a tree-themed fashion show is a perfect way to do that."

In addition to the fashion show, Rancho Cordova Tree Service Experts will also host a series of educational workshops and events in conjunction with the event. These events are designed to educate the public about the importance of trees and the need for responsible tree care practices and provide practical information on how to care for trees in their own yards and communities.

"Our goal with the tree-themed fashion show is not only to inspire a greater appreciation for trees but also to provide our community with the tools and knowledge they need to care for these incredible natural resources," Bryant said. "By combining fashion and education, we hope to create a truly transformative experience for our community and inspire a new generation of tree enthusiasts and environmental stewards."

The tree-themed fashion show, sponsored by Rancho Cordova Tree Service Experts, exemplifies the company's commitment to promoting environmental stewardship and responsible tree care practices. In addition, through various community outreach initiatives, educational programs, and innovative collaborations, Rancho Cordova Tree Service Experts strives to inspire a greater appreciation for the natural world and the vital role trees play.

Bryant emphasized the importance of this mission, stating, "Our ultimate goal is to create a world where people recognize and value the incredible contributions that trees make to our lives and the environment. By hosting events like our tree-themed fashion show and engaging with our community, we hope to inspire a new generation of tree lovers and environmental stewards."
