May 02, 2023 -
Arrow Fence & Shelter LLC is a family-owned fencing company serving the greater Oklahoma City area. The local business is committed to providing fencing installation services for residential, commercial, and industrial properties. With over 20 years of experience, Arrow Fence & Shelter understands the importance of both quality and hard work.

"As the owner and operator of Arrow Fence & Shelter it is my goal and duty to provide the highest level of fence construction and access control," said Shawn Hurst, the owner of Arrow Fence & Shelter LLC. "Our team takes pride in delivering exceptional services that meet and exceed our clients' expectations. We are committed to providing our clients with the best quality products and services at competitive prices."

The Oklahoma City Fence Company offers a wide range of services, including fence installation, repair, and maintenance, as well as custom designs and fabrication. The company also offers high-tech access control entries, including gate installations for private homes, apartment buildings, commercial and industrial

business facilities, government facilities, raches, oil field industries, and trucking and logistic providers.

For residential clients, the fencing company offers a wide variety of services. They offer many different types of fencing including vinyl, cedar, ornamental iron, and aluminum options. On top of this, they also offer staining and sealing for fences and fencing repairs.

Arrow Fence & Shelter LLC also installs many types of access control entries, with full, turn-key installations, meaning the company takes care of every step, from planning, to installation, to testing. The company supports and installs most access control systems including Allstar gate operators, Honeywell keypads, American Access Systems (AAS) telephone and card access systems, Linear telephone entry, keypad, and transmitter access controls, and many, many more.

The company has established a five-star reputation for its commitment to quality and customer satisfaction. They have received numerous positive reviews and testimonials listed on their website. A gallery of photos from past projects can also be found on the website.

?Shawn gave me a quote and did the job the next day, he was such a friendly guy. I?m very happy with the outcome and would definitely call him back when we need an upgrade,? says one five-star review. ?I would definitely recommend these guys if you need repairs or a fence.?

Arrow Fence & Shelter LLC understands that each client has unique needs and concerns and they work closely with clients to ensure that their needs are met. They use high-quality materials and employ skilled technicians who have years of experience in the fence and shelter installation industry.

Hiring a Fence Installation Company ensures that the job will get done correctly. Fencing contractors like Arrow Fence & Shelter LLC know the ins-and-outs of all restrictions and permits a homeowner or business might not understand. They will also help as consultants, guiding customers to choose the option that will be best for their situation.

The company offers affordable prices on products as well as flexible payment options to fit any budget. All projects receive a 1 year workmanship warranty.

Shawn Hurst started Arrow Fence & Shelter LLC twenty years ago in 2003, with both a background in the fencing industry and in business. Since then, the company has grown and serves the greater Oklahoma City area. Finished products can be seen on their website
