

Heroes Lawn Care Offers Professional Lawn Care Services in Livonia Michigan

May 01, 2023

May 01, 2023 - PRESSADVANTAGE -

Heroes Lawn Care of Livonia, a company based in Westland, MI, has announced that they are offering professional lawn care services to Livonia, which is around five miles away from Westland. They are a lawn care company that provides lawn care services, lawn mowing service, lawn maintenance services, and other kinds of lawn services. Livonia is a western suburb of Detroit and is part of Wayne County, which is found in the southeastern part of Michigan. It was mainly a farming community for more than a century but after the Second World War, it went through rapid industrial and residential growth with auto parts as the main product of Livonia's manufacturing companies. The company address is at 27675 Joy Road, Westland, MI, 48185.

Property owners in Livonia can get an estimate in three ways. First, Heroes Lawn Care can provide instant estimates online using their lawn legend software. The customer will simply need to highlight the area of the lawn that requires servicing and indicate any details that the lawn project needs, and the AI software will offer an instant quote. Second, a certified Lawn Care Heroes specialist can visit the home or property for an on-site consultation. The lawn care expert will conduct a personalized evaluation of the outdoor space and offer an estimate based on the specific requirements of the lawn and the customer. Third, the customer can call them on the phone and a lawn expert can help in assessing the customer's needs and offer a plan right

away. Or, the customer can schedule an in-person consultation.

Heroes Lawn Care of Livonia can offer: personal agronomic lawn assessments to determine the fertilizer, weed control, and pest control needs of the lawn; Stealth Smart Irrigation IQ for irrigation needs; and eco-conscious lawn conservation services through pet waste removal. The Heroes Lawn Fertilization and Lawn Maintainer Program is a six-step lawn care program that is specifically tailored for the turf and weather conditions in Livonia. It includes properly timed use of essential micronutrients and macronutrients to maintain the health and beauty of the lawn. They will also make sure that the lawn will be protected from crabgrass, broadleaf weeds, and other undesirable grass. Those who are interested in these lawn care services can visit web site.

The Heroes Stealth Smart Irrigation service will ensure the lawn will be receiving the appropriate quantity of water. Through the use of a mobile phone app, their Stealth Smart Irrigation technology enables the customer to take control as to when the lawn is watered with the benefits of water conservation, saving money, and protecting the environment. The Stealth Smart Irrigation system has a smart sensor controller that can regulate the water pressure for the sprinklers through a valve sensor. This prevents overwatering, wasting water, and high water bills.

Heroes Lawn Care of Livonia also provides the Doody Duty pet waste removal service. Their pet removal service will not just clean up the lawn. Dog waste does not only look gross but it also carries millions of germs, parasites, and bacteria that cause illnesses. Both pets and people are at risk of getting diseases from the dog waste. The dog waste may also end up in the waterways and pollute the environment and even attract rodents and bugs that can be difficult to get rid of. The unpleasant odor of dog waste can also irritate the neighbors.

Heroes Lawn Care of Livonia was founded by Mike Marlow and Taylor Olberding. The lawn care business can benefit from Mike Marlow's business expertise and Taylor Olberding's hands-on experience and degree on turf management. They expect to expand their services soon to other areas, such as Westland, Plymouth Charter Township, Canton, Farmington Hills, Farmington, Lyon Charter Township, Novi, Salem Township, South Lyon, and Township of Northville.

Those who are interested in professional lawn care services in Livonia can visit company website or contact them on the phone. They are open from 9:00 am to 6:00 pm, from Monday to Saturday.
