

Party Rentals & More Available For South Mississippi Residents from South MC Spacewalks & Waterslides

May 01, 2023

May 01, 2023 - PRESSADVANTAGE -

South MS Spacewalks & Waterslides is excited to announce it provides a wide range of party and event rentals to customers throughout the region. While the company is headquartered in Gulfport, customers anywhere in South Mississippi are welcome to book a high-quality rental via its official website or by calling its office directly. View more on the official company website at <https://www.waterslidefun.com/>.

The company acknowledges that parties may be about celebrations, but organizing them can be much more stressful than anyone wants to deal with. As such, customers typically prefer to work with vendors that can accommodate their needs without introducing new (or otherwise unwanted) challenges. South MS Spacewalks & Waterslides aims to fulfill this role by providing a smooth, hassle-free rental experience that takes each customer's personal requirements into account.

The company is proud to note that its team has pursued this ethos since South MS Spacewalks & Waterslides first began working with customers in 2009. Its success reflects how much its customers

appreciate these efforts. On the other hand, many have also returned to the company several times over the years because of the wide variety of options it offers, including all manner of bounce houses, slides, combos, interactives, and more.

Bounce houses are among the company's most well-known rentals, featuring a selection of castles as well as options emblazoned with popular characters from children's shows and movies. Waterslides also see a staggering rise in popularity during the warmer months as parents and children seek to beat the heat while still enjoying the fresh air and sunlight. These slides come in many sizes, shapes, and colors, but they all offer loads of fun for customers and guests alike.

Many in the community have also found the time to share their perspective on the company's services and rentals. C. LaFontaine says, "Booked online for my daughter's fourth birthday party, and it was very easy and simple. They have tons of options for any occasion, the staff was extremely friendly when they came to set up not to mention I looked at multiple places for an inflatable, and they hands down have the best prices! Anytime I need an inflatable, South Mississippi Spacewalk is who I will be calling! Thank y'all so much for making my daughter's birthday such a blast!"

M. Ward also has high praise for the company. This customer's review says, "I've been renting from these guys for years. They will call a day early and ask if they can drop it off with no extra charge. After a month, they send you a nice little discount code, which is perfect because my nephew's birthday is in July. Our favorite slide is the Wipe Out. It's perfect for all ages." The company is pleased to add that several customers have a habit of returning year after year once they give the company's rentals a try.

Customers will be pleased to learn that the company requires no deposits for a booking to be made. This also means it does not collect credit card information (unless the customer so prefers for convenience); all dues can be paid in exact cash upon delivery. According to the company, this has proved to be a more flexible alternative for many customers, especially those who need to organize a party on short notice. Further, the company provides every accessory that may be needed to operate the rental, including power cords, blowers, and so on. Customers only have to ensure there is a suitable power source within 100 feet of the set-up area.

The company maintains a regular social media presence, including a Facebook profile, that can be found at <https://www.facebook.com/South-Mississippi-Spacewalks-And-Waterslides-512640248767895/>.

Those interested in learning more about the company's service area can find out additional information on its Google Maps listing at <https://goo.gl/maps/5qGSs2Jeykk6UEeWA>. The company offers special rates for

certain events, such as those hosted by schools, churches, and similar organizations. Those interested are encouraged to contact the South MS Spacewalks & Waterslides office by phone or email to learn more.
