Phoenix Home Remodeling, an award-winning home remodeling contractor, takes pride in their Chandler kitchen remodeling services. Not only have they been getting highly positive reviews in various platforms like Google, BBB, Yelp, and Houzz but the company has been the recipient of various awards, such as Expertise.com?s Best Remodeling Contractors in Chandler, Best of Houzz Service in 2021, A+ rating with the BBB, and Number One in Remodeler?s Category 2021 according to Ranking Arizona.

In a recent customer review on Google, William T. gave them a five star rating and said, ?We chose Phx Home Remodeling to upgrade our small kitchen because of their design and project management services and we were very pleased with the results! They helped lighten up and modernize a small space guiding us through the proposal, design and construction phases seamlessly. Once demo started the construction project manager, Steve and the installer, Brandon paid attention to detail, streamlined the timeframe, and provided quality work and results. We loved working with this team.?

Jeremy Maher, co-owner of Phoenix Home Remodeling, says, ?There's many reasons homeowners trust us to create a space they love sharing with friends & family. You can trust us to design and build your dream kitchen. Our design-build process allows you to test us before committing to the construction contract. Schedule your phone consultation now.?

For the homeowners, the process of kitchen remodeling can be confusing and overwhelming because there are so many choices available and it?s difficult to know where to begin. That is the reason why Phoenix Home Remodeling provides free design consultations. One of their kitchen design and remodeling experts will sit with the homeowner and help figure out what the customer wants and what are needed in the new kitchen.

They will be taking care of everything from beginning to completion, including design, plumbing, electrical work, painting, drywall, and more. They can also install new countertops, flooring, cabinets, and any other features that the homeowner wants for the new kitchen. Throughout the whole kitchen remodeling process, they will keep the customer updated on their progress and involve the homeowner in important decisions so that the final result is assured to be a kitchen that the homeowner will truly love.

Jeremy Maher says, ?We are committed to providing Chandler residents with the best possible service and will work closely with you to understand your vision for your new kitchen. A kitchen remodel is a big investment, so you want to be sure you are working with a team of experienced professionals who can help you save money and make your vision a reality. That's why you should choose Phoenix Home Remodeling. Call us for professional kitchen remodeling in Chandler AZ or contact us by phone to get a free estimate.?

Established in 2017, Phoenix Home Remodeling came about as the result of the frustrations Jeremy Maher, one of the three founders, had experienced with contractors. Their local staff are experts in bathroom, kitchen, and entire home remodeling, where they guarantee top quality workmanship and a truly eye-catching remodel. They have six promises for the property owner with regards to home remodeling. First of all, they will only provide transparent and honest advice. Second, they always use the services of professional, respectful, and knowledgeable workers. Third, they always return calls and get there on time. Fourth, they will always show respect for the property by making sure that they leave it clean and tidy. Fifth, they will always offer clear expectations as to pricing and schedules. Sixth, they will construct the ideal living space for the client while paying careful attention to detail.
