Miracle Maid, a professional house cleaning service in Sydney, is inviting the city's homeowners to find out why it has garnered a 5-star reputation with its customers.

Miracle Maid offers an easy online booking system that allows clients to schedule an appointment in under 60 seconds. By providing basic contact information, the type of service they are interested in, and the number of bedrooms and bathrooms on the property, homeowners can get a quote and make the payment online. Customers can also avail themselves of discounts on its regular cleaning services, which can either be weekly, fortnightly, or monthly.

All Miracle Maid house cleaners are carefully vetted, police-checked, and insured for up to \$5 million. The company also offers a Happiness Guarantee to ensure that clients are satisfied with its work. If a customer is not 100% satisfied and communicates the issues within 24 hours, Miracle Maid will send over a cleaning crew to make it right.

The company's general cleaning service includes emptying bin(s), vacuuming and mopping all floors, dusting, and wiping down all surfaces in the bedrooms, bathrooms, kitchen, and living/dining areas. The deep clean and end-of-lease cleaning services include everything in the general cleaning as well as several add-ons.

For living rooms, bedrooms, and common areas, the Miracle Maid crew will also clean the cobwebs, wipe the table-tops, dust the furniture, clean the window ledges, quickly de-clutter the floors, clean light switches and doorknobs, clean hallways, staircases, and wipe down appliances.

In the kitchen, the cleaners will also wipe down the outside of appliances, wet wipe outside the fridge, wipe down the outside of the oven, clean the outside of cabinets and drawers, clean the inside and outside of the microwave, clean the stovetop and burners, clean the countertops, and clean the sink.

Finally, in the bathroom, the company's cleaning crew will scrub toilets, clean mirrors, clean countertops and sinks, clean cabinets, and drawers (outside), and rinse and wipe the bathtubs and shower. Sydney homeowners can visit the company's website to view its professional house cleaning checklist for a complete breakdown of the tasks based on the service category.

Miracle Maid has earned the approval of its clients in Sydney who have, in turn, given it an impressive overall rating of 4.7 out of 5.0 on its Google Business Profile.
