

## **NARI of Greater Chicagoland Announces Inaugural Design Night, Part of Signature Event Series for Contractors, Designers and Vendors**

*April 24, 2023*

April 24, 2023 - PRESSADVANTAGE -

The National Association of the Remodeling Industry (NARI) of Greater Chicagoland announces its inaugural Design Night event, taking place Thursday, May 18 from 5:30 ? 9:00 p.m. at Cosentino City Chicago. Design Night is a signature event created to connect premier designers in Chicagoland with remodeling contractors and vendors, creating longstanding relationships and building a network of trusted professionals who can rely on each other to elevate their work, their brands and their project execution. Registration is open for this event, and more information and tickets can be found at <https://tinyurl.com/NARIDesignNight>.

In addition to Design Night, NARI of Greater Chicagoland hosts four other signature events throughout the year, to bring together existing and potential members across the remodeling profession to celebrate ground-breaking work, gather for social occasions, learn from the industry?s best and brightest minds and determine the direction of the chapter for the coming year. Following Design Night, the chapter hosts its Summer Social to bring professionals together for a relaxing evening of social gathering and relaxation. The second-annual Remodeling Education Expo will be held in the fall, following last year?s very successful event, a one-day conference that provided remodeling contractors and industry professionals an opportunity

to earn up to 4 continuing education units (CEUs) in one day, through 10 educational sessions with top-notch speakers and industry-experts and hands-on opportunities with the newest products, materials, technology, and services. The calendar year closes out with the Annual Member Meeting to vote on chapter business and celebrate the year's accomplishments, as well as gear up for the Contractor of the Year Awards, celebrated with a show-stopping gala in the late winter of 2024.

NARI of Greater Chicagoland members are credible companies within the remodeling industry who follow a strict Code of Ethics. NARI is the only association dedicated exclusively to the remodeling profession - preparing members for success through education; credentialing; networking; exposure to innovative building trends and techniques; and driving consumers to choose NARI members for their next remodeling project.

More information about NARI of Greater Chicagoland membership, benefits and events can be found at [www.narichicago.org](http://www.narichicago.org). Follow NARI Chicago on Facebook, LinkedIn and Instagram for more chapter and remodeling industry news.
