May 09, 2023 - PRESSADVANTAGE -

Bounce Club USA, a party rental company based in Fredericksburg, Virginia, is inviting residents to browse its large inventory of inflatable party rentals.

Bounce Club USA has everything that party planners need to make their special day a memorable and enjoyable one for all age groups. To keep children entertained, the company offers a range of combo bounce houses, both wet and dry, obstacle courses, and water slides. For other events, customers can rely on the company's add-on rentals such as generators, tables, and folding chairs.

The company's combo wet/dry options include the Sports Combo, Multicolored Slide Bounce House Combo, Double Lane Castle Combo, Cady the Cow Belly Bouncer Combo, Dolphin Water Slide, Rainbow Unicorn Combo, Monster Truck Combo, and Carnival 5 in 1 obstacle course. Bounce Club USA's dry-only inflatable options include the High Voltage 5 in 1 Combo, Pirates Club Combo, USA Moon Bounce, and Princess Castle.

Clients can head over to the website and view detailed information, such as actual size and outlets required, as well as pictures, for all the aforementioned inflatable rentals. Choosing a date for the booking is as simple as picking one from a calendar widget, picking a start and end time, providing contact information, and making an online payment using a credit card. Payments can be also made on-site on the day of the event with cash.

Bounce Club USA caters to all kinds of events such as church outings, company parties, festivals, birthday parties, and more. The price on the website assumes a 6-hour rental. All-day rentals can be had for just 20% more and all-night rentals are only 60% more than the base 6-hour rental price. The company offers a special 10% discount for Wednesday rentals. As a fully veteran-owned and operated company, the company also offers discounts to first responders.

"Our mission is to deliver the finest quality inflatables and party rentals to your event," says the spokesperson for Bounce Club USA, "and take the stress involved completely off your shoulders. Just make an online booking and our team will be on our way to make sure your rental reaches you at the scheduled date and time. Every inflatable is cleaned, sanitized, and disinfected after every rental ensuring that everyone invited to your event has a safe and fun experience. So, if you are planning a party, just give us a call and rest easy. You can also follow us on Facebook at <https://www.facebook.com/bounceclubusa1> to find out more about what our customers are saying about us."

The Fredericksburg party rental company has received approval for its services from clients across Northern Virginia. A recent testimonial from a satisfied customer says, "This was the best experience I could imagine! Bounce Club USA was fast, friendly, and the equipment was clean. Definitely using them again!"

Another client shares their experience by writing, "Last minute we called around frantically looking for party equipment for our work event. Bounce Club USA was so easy to deal with. We told them when we needed our equipment, what we needed to rent, and they provided a great price. The event was a big hit!! See you next year."

The company delivers its rentals in Fredericksburg or anywhere in Spotsylvania County, Orange County, or Culpeper County. There is a nominal fee for delivering rentals beyond its service area and updated quotes can be obtained by contacting its office. The standard rental time does not include set up and the team arrives early to give plenty of time for preparations.

Setting up at a park requires renting a generator along with the inflatables. Customers must also make sure that they have at least 4 feet of access to the area where the inflatables will be set up since the jumps can weigh up to 650 pounds.
