

## **D&A Building Services Offers External and Internal Building Maintenance Services in Longwood and Nearby Places in Florida**

*May 08, 2023*

May 08, 2023 - PRESSADVANTAGE -

D & A Building Services, a company based in Longwood, FL, has announced that they are offering internal and external building maintenance services to companies in Longwood and neighboring areas. They also have offices in Jacksonville, Tampa, and Dallas, FL. The company is a veteran-owned, Hispanic-owned minority business enterprise (MBE) and has developed the reputation of being one of the leading facility maintenance providers throughout the Midwestern and Southeast states. More about the company can be gleaned from their LinkedIn page at <https://www.linkedin.com/company/d-&a-building-services/>.

Jen DeOrio, a spokesperson for D & A Building Services, says, "We are a leading building maintenance company with many years of experience providing janitorial services, quality high-rise window cleaning, facility services, floor care, and much more. Our mission is delivering full service building maintenance beyond expectations to enable clients to manage and control their facilities in a professional, cost effective and trouble free environment."

Their services include: COVID disinfecting, janitorial services, construction clean-up, window cleaning,

pressure washing, landscaping, and specialty services. D&A uses electrostatic sprayers and foggers for COVID-19 disinfection and sanitation and uses highly effective equipment to ensure that the disinfecting agents are applied quickly and evenly on all surfaces that need to be disinfected. Targeted areas include: underneath tables, cabinets, desk surface, high places, underneath chairs, and behind computers and other office equipment. Foggers are used for corridors, hallways, and common areas.

D&A janitorial services include: floor maintenance, cleaning/ stocking of restrooms, ensuring doors are locked after hours, collecting/ disposing of trash, disinfecting and sanitizing, day and evening janitorial services, removing dust from all horizontal surfaces, fogging, and electrostatic disinfecting.

D&A also provides clean up services after construction has been completed. These include: removal of leftover construction debris, thorough cleaning of the onsite restrooms, cleaning of window frames, cleaning of both sides of the windows, cleaning of wall coverings, vacuuming of carpets, film removal, removal of construction dust all horizontal and vertical surfaces, cleaning of light fixtures, flood coatings, polishing of metal and steel surfaces, removal of temporary protection, and cleaning of millwork and other glazings. Those who want to learn more about D&A can visit their Facebook page at <https://www.facebook.com/dandabuildingservices>.

They can also provide commercial window cleaning. These include: high rise, low rise, glass restoration, monthly maintenance services. These services are IWCA certified and fully Insured and are I-14 ANSI standard compliant.

They can also offer pressure washing for various kinds of commercial buildings. These include: hotels, apartment complexes, high rise buildings, HOAs, stadiums, office buildings, retail centers, parking garages, and all kinds of structure in the commercial, education, and governmental sectors. Other services include: grease removal, cold and hot pressure cleaning, low- and high-risk pressure cleaning, gum removal, rappelling, suspended work, and rust and graffiti removal.

D&A also provides landscaping services. These include: full-service professional commercial lawn maintenance services, new landscape design installations, irrigation systems checks and installation, fertilization, repairs and scheduled maintenance, landscape maintenance, lawn cutting and edging, shrub trimming, tree pruning, and weed removal.

They can also provide various specialty services. These include: A/C filter replacement, assists for window replacement, banner installation/replacements, bird deterrent, general repairs, light bulb replacement/maintenance, painting, pressure cleaning, rappelling and boom lift capability, roof cleaning, sign cleaning, surgical room cleaning, vent cleaning, and more.

Founded in 1985, D & A Building Services provides total building maintenance services, from janitorial services to landscaping services. In their more than 35 years of experience, the company has developed the reputation of being one of the most reliable names in the industry due to their skill and ability to address the specific needs of each building or facility. Their licensed quality assurance program, known as CompuClean, offers the framework for self-inspections at each building that they serve. All of the services they provide are done by D&A employees who are full insured, bonded, and licensed. They even include lost key protection insurance to minimize client liability, and their highly trained employees will only utilize environmentally friendly products and cutting edge specialized equipment.

Those who are interested in getting more information about the building maintenance services can check out the D & A Building Services website at <https://www.dabuildingservices.com/> or contact them through the telephone or by email.
