Trunk or Treat: Tree Service Marietta's Annual Tree-Themed Halloween Event for the Community

April 26, 2023

April 26, 2023 -
Marietta, GA ? Tree Service Marietta, a leading provider of professional tree care services in the area, is excited to announce their annual tree-themed Halloween event, "Trunk or Treat," for the local community. The event showcases the company's commitment to community engagement and environmental stewardship and promises a fun and educational experience for families and children of all ages.

Claire Veredico, CEO of Tree Service Marietta, is thrilled to bring this unique event to the community for another year. "We believe in fostering a strong connection between our community and the environment, and our annual Trunk or Treat event is a wonderful opportunity to do just that," said Veredico. "It's a fun and engaging way to teach children about the importance of trees and their role in our ecosystem, all while enjoying the spirit of Halloween."

The Trunk or Treat event will feature various tree-themed activities, games, and educational stations designed to inspire a deeper appreciation for the natural world. For example, children can participate in a tree identification scavenger hunt, create leaf rubbings, and learn about the fascinating world of tree-dwelling animals. Additionally, they will be able to explore various tree care equipment, such as bucket trucks and wood chippers, under the supervision of Tree Service Marietta's professional staff.

As part of the event, Tree Service Marietta will also host a costume contest emphasizing tree and nature-themed costumes. "We're always amazed by the creativity and enthusiasm of our community members when it comes to their costumes," said Veredico. "It's wonderful to see so many people embracing the event's spirit and showcasing their love for trees and the environment."

In addition to the educational and recreational activities, the Trunk or Treat event will provide a safe and fun environment for children to collect Halloween treats. Tree Service Marietta staff members will be on hand, dressed in tree-themed costumes, and distributing candy from the trunks of their company vehicles.

Veredico emphasizes the importance of this event in building a strong sense of community and fostering a love for the environment. "Our Trunk or Treat event is more than just a fun Halloween activity ? it's an opportunity for us to connect with our community and share our passion for trees and the environment," she said. "We hope that by participating in this event, children and their families will come away with a deeper appreciation for the natural world and the vital role trees play in our lives."

The Trunk or Treat event will occur at Tree Service Marietta's headquarters, with ample parking and easy access for all attendees.
