

The Tree-tment Project: Tulsa Tree Experts' Natural Remedies and Medicinal Uses of Trees

April 26, 2023

Tulsa, Oklahoma - April 26, 2023 -
Tulsa, OK - Tulsa Tree Experts, a leading tree care and management company based in Tulsa, Oklahoma, is proud to announce the launch of their innovative Tree-tment Project, an educational initiative focused on the natural remedies and medicinal uses of trees. The project aims to raise awareness about the healing properties of trees and encourage the community to explore the benefits of traditional and alternative medicine.

Denise Matthews, CEO of Tulsa Tree Experts, explains the inspiration behind the Tree-tment Project: "For centuries, people have used various parts of trees to treat various ailments. We wanted to create a platform highlighting trees' healing potential and showcasing their incredible versatility. The Tree-tment Project is designed to inspire people to reconnect with nature and explore alternative healing methods."

The Tree-tment Project offers a variety of educational resources, including workshops, seminars, and online content, covering a wide range of topics related to tree-based medicine. Participants will learn about the

historical uses of tree-derived remedies, the science behind their medicinal properties, and how to safely and effectively incorporate them into their daily lives.

Matthews emphasizes the value of tree-based remedies: "Many people are unaware of the powerful healing potential within the trees around us. The Tree-tment Project aims to change that by providing accessible, accurate information about tree-derived medicine and promoting a deeper appreciation for the natural world."

In addition to the Tree-tment Project, Tulsa Tree Experts offers comprehensive tree care services, including tree pruning, removal, planting, and disease management. The company is dedicated to preserving the health and beauty of Tulsa's trees and landscapes while promoting sustainable practices and environmental stewardship.

Matthews explains the company's mission: "At Tulsa Tree Experts, we are committed to helping our community develop a deeper understanding of and appreciation for the trees surrounding us. Our Tree-tment Project is just one example of how we are working to share our knowledge and passion for trees with the people of Tulsa."

The Tree-tment Project is open to anyone interested in learning more about the medicinal uses of trees and natural remedies. Matthews invites the community to participate: "We encourage everyone to join us in exploring the fascinating world of tree-based medicine. The Tree-tment Project offers a unique opportunity to reconnect with nature, learn new skills, and embrace the healing potential of our environment."
