Proactive Healthcare Staffing, a company previously known as Eastside Healthcare Staffing, has recently launched a new brand and website. With their more than a decade of experience of providing nurses and other healthcare staff to hospitals and healthcare facilities, they want to emphasize that they are fully equipped to offer the best quality staffing solutions to various kinds of facilities in the healthcare industry.

Proactive Healthcare Staffing provides a comprehensive range of staffing solutions to meet the specific requirements of each healthcare facility. They can provide licensed practical nurse staffing, medical assistant staffing, nurse practitioner staffing, registered nurse staffing, and more. They currently serve Washington State and Oregon. They fully understand the unique difficulties and challenges faced by healthcare companies in the states of Washington and Oregon. Furthermore, they expect to expand their services to California and Texas soon.

Michael Schneider, President of Proactive Healthcare Staffing, says, "Proactive Healthcare Staffing is dedicated to providing excellent nursing care to clients in all healthcare settings and has fulfilled over 50,000 hours of floor time since launching in 2021. We provide services to hospitals, nursing homes, assisted living facilities, and rehabilitation facilities. We use the latest digital platforms for both our clinicians, clients and internally. Our commitment to instant communication and solving staffing needs is second to none, as we expand our network throughout the Pacific Northwest region of the United States. We offer full-time and per-diem staffing to Greater Washington and Oregon. Facilities and healthcare professionals can contact us for more information."

Michael Schneider adds, "We employ only the best RNs, LPNs and CNAs in the Greater Pacific Northwest Area. Our ever-expanding network guarantees satisfaction through our reliable and internally trained staff."

Hospitals and other healthcare facilities can go to Proactive Healthcare Staffing when they need: registered nurses, licensed practical nurses, certified nursing assistants, physical therapist, occupational therapists, medication aides, and more. They offer their services to hospitals, skilled nursing facilities, assisted living

facilities, rehabilitation centers, medical clinics, and more.

Proactive Healthcare Staffing ensures that their staff are trained based on industry standards. These include various topics, such as: medication, coordination of care, specialized care, intravenous admixtures, total parenteral nutrition, first aid, delegation of resident care tasks, facility census management, timely response to changes in conditions, thorough assessments, accurate documentation, health safety, and more.

There are a number of factors that differentiate Proactive Healthcare Staffing from other similar providers. First of all, the company is nurse owned and nurse managed, which means they fully understand the nursing standards and the needs of nurses. Second, they only employ reliable and experienced staff. Third, they are always up-to-date regarding healthcare practices. Fourth, their schedulers are always available for serving the needs of clients, 24/7. Fifth, they offer educational content. Sixth, they have a pending Joint Commission certification. Seventh, they provide daily email reports. Eighth, they have full coverage liability insurance.

Proactive Healthcare Staffing does not only take into account the needs of healthcare facilities but also of the various the healthcare professionals who depend on them for finding work. Their easy to use system provides health professionals the scheduling flexibility they need, making it easy for them to balance their work and their various commitments.

Founded in 2021, Proactive Healthcare Staffing is serves as a provider of the best staffing solutions for hospitals and healthcare companies. They help find highly trained and experienced professionals for health care, including registered nurses (RNs), licensed practical nurses (LPNs), certified nursing assistants (CNAs), and med-aides. This ensures that the most qualified staff available are provided for the health facilities requesting for additional staff. Aside from providing contract-to-hire, direct-hire, and temporary staffing solutions for the health care facilities, Proactive Healthcare Staffing also provides them the flexibility to meet their fluctuating staffing requirements.

Those who want to know more about the healthcare staffing services provided can check out the Proactive Healthcare Staffing website or contact them on the phone or through email. They can also take a look at Proactive Healthcare Staffing on Facebook.
