# BouncePro Implements Enhanced Safety Measures for a Worry-Free Party Experience

*April 28, 2023*

April 28, 2023 -
12008 S Memorial Drive, Bixby, OK. 74008 ? BouncePro, the leading provider of bounce house rentals and party services in Tulsa City and the surrounding area, is proud to announce the implementation of enhanced safety measures for their inflatable attractions. These new protocols ensure a safe and enjoyable experience for all partygoers, providing peace of mind for event organizers and attendees alike. BouncePro's commitment to safety is just one of the many ways they continue to prioritize customer satisfaction.

In response to growing concerns about the safety of bounce houses and inflatable attractions, BouncePro has updated its safety guidelines and procedures. These new measures include a rigorous inspection process for each rental, ensuring that all equipment meets the highest safety standards. This includes checking for any signs of wear or damage and making necessary repairs or replacements before each event.

Additionally, BouncePro's team of professionals thoroughly cleans and sanitize all equipment before and after every rental. The company uses eco-friendly, non-toxic cleaning solutions to ensure that all surfaces are safe for children and adults. BouncePro's staff also undergoes extensive training and certification in the proper setup, operation, and maintenance of all inflatable attractions. This ensures that each event is managed by knowledgeable professionals who prioritize safety.

Furthermore, BouncePro provides clear safety instructions for all inflatable attractions, ensuring that guests understand the proper use of the equipment. This includes information on age and weight restrictions, as well as guidelines for safe play. The company also carries comprehensive liability insurance, offering additional protection for event organizers and attendees.

"BouncePro understands that safety is a top priority for our clients, and we are dedicated to providing the safest and most enjoyable experience possible," says Nathan Watts, founder, and CEO of BouncePro. "Our enhanced safety measures not only protect our customers but also reinforce our commitment to delivering

exceptional service and unforgettable memories."

In addition to these safety measures, BouncePro continues to offer an extensive range of exciting inflatable attractions and party services, including bounce houses, dry slides, interactive games, and more. The company also maintains a user-friendly website at https://bouncepro.net/, where customers can browse available rentals, check availability, and book events with ease.

To learn more about BouncePro's enhanced safety measures or to schedule a worry-free party experience, visit their website or contact their team of event professionals directly.
