May 01, 2023

Keller, Texas - May 01, 2023 -
Milestone College is a ministry-based learning institution that was started by Milestone Church and Oral Roberts University as a joint venture. Their most recent Campus Visit day was Tuesday, April 11, 2023, from 8:30 am to 11:30 am. On Preview Day, potential Milestone College students and their families can see what it's like to be a student.

Prospective Milestone College students and their families were able to see the classrooms, watch a class in session, and learn more about how the partnership between Milestone Church and ORU will affect admissions and teaching.

In addition to their classes, Milestone College students will spend hundreds of hours learning how to put their faith to work in the real world. All Milestone College students have access to career counseling, one-on-one coaching, and academic support. This makes sure that each graduate can pursue their academic goals.

Milestone College helps students get ready for a wide range of jobs and is committed to producing the next generation of ministry leaders by integrating rigorous academics with hands-on ministry training. Students are

fully immersed in the culture of Milestone Church to prepare them for a life of influence.

Students at Milestone College can get a bachelor's degree at Oral Roberts University and get ministry experience at Milestone Church at the same time. ORU tuition at our teaching site is less than $10,000 per year. Compared to the $30,000 ORU students at the Tulsa campus would expect to pay in tuition, plus additional expenses, and Milestone College students? education is revealed to be an affordable college experience.

The goal of Milestone College is to prepare students for more than just one career path. Milestone College believes that the best way to raise the next generation of ministry leaders is to give them both a good education and real-world ministry experience.
