Harwood Heights, IL residents looking for a reliable kitchen and bath remodeling service in the area may be pleased to hear about the services offered by Premier Kitchen & Bath Remodeling. The company?s stated mission is to make their clients? kitchens and bathrooms beautiful. They do this by combining years of experience, passion and quality materials to create beautiful baths and kitchens ? all while keeping the unique tastes of the client in mind.

Premier Kitchen & Bath has proudly served the greater Chicago area for over 40 years, during which the company as a whole has developed a deeper understanding of the importance of a well-designed kitchen. The kitchen is, in many homes, the heart where meals are shared by friends and family. This is why Premier goes above and beyond to ensure that they create kitchens that clients would be happy to create meals and memories in.

The kitchen contractor says, ?From sourcing durable materials to finding the right fixtures that meet physical code requirements while staying within budget constraints, we?ve got it covered! Plus, our team will help you avoid costly revisions, delays and aggravation by working closely with you to make sure everything is done

correctly from start to finish. Whether you?re looking for a classic style or something more modern-looking with all the bells and whistles, you can trust us to help make your dream kitchen come alive.?

On the bathroom side of Premier Kitchen & Bath Remodeling, they understand how important it is for homeowners to have bathrooms that they can be proud of. This is why the company strives to provide the best possible bathroom remodeling services, transforming outdated spaces into luxurious bathrooms that offer a high level of aesthetic appeal while still being functional. Premier?s team is made up of experienced professionals who are highly trained in all aspects of bathroom design and remodeling.

Premier has worked on all kinds of designs, both modern and traditional. The company is always looking to produce the very best of both and everything in between. Their wide selection of quality materials and fixtures means that the company has everything a client might need to put together the perfect bathroom.

The kitchen and bathroom remodeling company aims to show care, concern, respect and honesty to every one of their clients and bring them the highest quality of workmanship and materials to their home improvement projects. With over four decades? worth of experience, Premier Kitchen & Bath promises to deliver excellence throughout every step of the remodeling process.

The company also offers basement remodeling. Unfinished or outdated basements mean missing out on extra living space and on an opportunity to increase the value of a home. Premier Kitchen & Bath Remodeling turns neglected basements into attractive, functional spaces. They can turn old basements into additional bedrooms, bathrooms, entertainment areas, home offices or almost anything else imaginable. With the help of Premier, it is possible to turn tired old spaces into lively, useful rooms with a clear purpose.

The company?s excellent customer service, use of quality materials and their ability to deliver great results has earned Premier an excellent reputation among Harwood Heights homeowners. One client says about their experience working with Premier on a home remodeling project, ?I had Premier do a total remodel of my kitchen. They opened up one wall, giving it a more spacious feeling. New cabinets, sink, appliances and floor. I wanted a specific tile I had had seen on TV, and the project manager worked with me until we found it. The workers were also excellent, cleaning up after themselves every day. There was nothing they couldn?t do, from plumbing to tiles to cabinets.?

The first step in any home improvement project is a detailed assessment of the property in question and a comprehensive discussion with the client regarding their needs. Those who wish to start pursuing their dream home may find out more about Premier Kitchen & Bath Remodeling by visiting the company?s website. Clients may also get in touch with a professional by calling or emailing the company directly.
