# The Green Dumpster Offers Dumpster Rental Service in LA and the San Fernando Valley

*May 24, 2023*

May 24, 2023 -
The Green Dumpster, a company based in Chatsworth, CA, is offering dumpster rental service in the San Fernando Valley and Los Angeles. San Fernando Valley, which is locally known as the Valley, is an urbanized valley in Los Angeles County. It includes a huge portion of Los Angeles City , including unincorporated areas and the incorporated cities of Calabasas, Glendale, Burbank, San Fernando, and Hidden Hills. The Valley is popular because it is home to iconic film studios, including Walt Disney Studios and Warner Bros. Studio. It is also the location of the Universal Studios Hollywood theme park. San Fernando Valley has a total area of approximately 260 square miles and it is home to many companies, including the popular businesses involved in movies, music recording, and TV production. More information about The Green Dumpster can be gleaned from their Facebook page at https://www.facebook.com/thegreendumpster/.

They offer various kinds of dumpsters, including the 3 cubic yard dumpster, 9 cubic yard dumpster, 10 cubic yard low boy dumpster, 16 cubic yard dumpster, 25 yard large dumpster, and 40 cubic yard large dumpster. The 3 yard dumpster measures 6 feet long, 4 feet wide, and 4 feet tall and is suitable for little projects like removing a small quantity of trash from the garage or surplus trash after an event. This dumpster is similar to the size of the trash bins usually found behind apartment buildings. It is important to note that these dumpsters are for trash only, which means there should be no dirt, sand, rock, tile, concrete or stucco, although wood and other lightweight construction materials are allowed.

The 9 yard dumpster, which measures 10 feet long by 6 feet wide by 4 feet tall, is for medium-sized projects like landscaping projects, a bathroom or kitchen remodel, or getting rid of excess garbage. These dumpsters can easily fit into most parking spaces and it is suitable for small projects, such as clean-outs, construction, or a light brush clearing.

The 16 yard dumpster is appropriate for large projects, including a fairly large home renovation, a wide

landscaping project, and a commercial cleanup. It can accommodate dressers, mattresses, beds, entertainment centers, and other bulky items that can be disassembled. It can hold around four wheelbarrows of heavier materials, such as rocks, dirt, bricks, sand, stucco, concrete, tile, roofing, or asphalt.

The 25 yard dumpster, which measures 15 feet long by 8 feet wide by 6 feet tall, is perfect for large projects, including a complete home remodel or cleanup for a commercial construction. This dumpster is large enough to hold large items, including furniture, appliances, and other bulky items that can be disassembled.

The 40 yard dumpster, which measures 22 feet long by 8 feet wide by 6 feet tall, is suitable for huge projects, such as a commercial construction cleanup and a complete home renovation project. It is also perfect for bulky items, such as appliances and furniture.

Founded in 1967, The Green Dumpster is owned by the third generation of a family that has been involved in the trash disposal industry for more than 35 years. The first generation provided waste control services in the 1960s, offering trash containers for local businesses. The second generation then began responding to the request for temporary bins, such as 3, 9, 10, 16, 25, and 40 yard containers for residential homes and construction sites. The third generation now offers the green dumpsters and offer not just trash removal but also recycling.

Their service area includes: Arleta, Bel-Air, Bell Canyon, Brentwood, Canoga Park, Chatsworth, Encino, Granada Hills, Griffith Park, Hansen Dam, Hidden Hills, Hollywood, Hollywood Hills, La Canada-Flintridge, La Crescenta, Lake Balboa, Lake View Terrace, Los Angeles, Malibu, Mission Hills, North Hills, North Hollywood, Northridge, Pacific Palisades, Pacoima, Panorama City, Porter Ranch, Reseda, Shadow Hills, Sherman Oaks, Stevenson Ranch, Studio City, Sun Valley, Sunland, Sylmar, Tarzana, Toluca Lake, Topanga, Tujunga, Universal City, Valley Glen, Valley Village, Van Nuys, West Hills, Westlake Village, Westwood, Winnetka, and Woodland Hills.
